

Making human life comfortable
with world class infrastructure

Annual Report 2012-13

**To defend and improve the human environment
for present and future generations
has become an imperative goal for mankind.**

Sustainable development is the need of the present without compromising the ability of future generations to meet their own needs.

Sustainable development must not endanger the natural systems that support life on Earth: the atmosphere, the water, the soil, and the living beings.

In essence, sustainable development is a process of change in which the exploitation of resources, the direction of investments, the orientation of technical development; and the institutional change are all in harmony and enhance both current and future potential to meet human needs and aspirations.

Disclaimer

In this Annual Report we have disclosed forward-looking information to enable investors to comprehend our prospects and take informed investment decisions. This report and other statements – written and oral – that we periodically make contain forward-looking statements that set out anticipated results based on the management's plans and assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'expects', 'projects', 'intends', 'plans', 'believes', and words of similar substance in connection with any discussion of future performance.

We cannot guarantee that these forward-looking statements will be realized, although we believe we have been prudent in assumptions. The achievement of results is subject to risks, uncertainties and even inaccurate assumptions. Should known or unknown risks or uncertainties materialise, or should underlying assumptions prove inaccurate, actual results could vary materially from those anticipated, estimated or projected. Readers should bear this in mind. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

Chairman's Message

I am pleased to inform you that during the year 2012-13 we accomplished better results and our winning streak of new orders continued. This year we focused on effecting organizational change that can deliver the required growth to meet our aspiration in making SPML as one of the most preferred infrastructure developer in the country.

I am happy to inform you that despite slow market conditions, we managed a healthy growth and company's overall turnover increased by 23% and profit after tax increased by almost 300% as compared to last year. We expect this trend will continue in current financial year as well. With the economic reforms and moderate pace of growth in the country, SPML is ideally positioned through its water, power and environment sectors to meet the infrastructure requirements of rapidly growing cities and urban areas.

During the year, we completed and commissioned a number of projects which is going to provide millions of people with drinking water facility and illuminating their lives with power connections at their homes. Despite challenges, the SPML team is working very hard to ensure timely completion of all the ongoing projects to build state of the art infrastructure facilities. Certainly this would enhance SPML's market positioning and generate good returns for the shareholders. This year we have also entered into a number of joint venture agreements with renowned water companies from the world to provide best-in-class services to our clients and to be a preferred partner for utilities across the country.

I am very happy to inform you that the year was especially good for our company as we received large orders from the states of Delhi, Rajasthan, Bihar and Karnataka among others. We ventured into two new segments; installation of consumer and bulk water meters in Delhi and a project for power distribution in Bhagalpur, Bihar. These new businesses have opened new avenues and we are hopeful that we will be able to secure more such projects in future. The order book position for our company crossed the mark of Rs. 4000 Crore with the contribution of new orders worth over Rs. 2200 Crore during the year. The new orders are an authentication of our capabilities in executing large projects with quality and consistency and the trust, our esteemed clients' places on us.

Our performance has continued to be recognized by the media and a large number of interviews and media stories were published about our projects in national and international publications. SPML being a thought leader has been invited to speak at various national and international forums and conferences. SPML has been on the forefront in number of policy deliberations and committees constituted by different ministries of Govt. of India and also chairing various expert committees set up by leading industry associations at national and state levels.

I am also pleased to inform you that our efforts towards nation building has been recognized and several esteemed awards such as Infrastructure Excellence Awards and Construction Week India Awards were received by the company during the year. These awards give us much needed morale boosting to continue doing the excellent work.

We perceive Corporate Social Responsibility (CSR) as a very important part of our business. Our approach has been to make enduring social impact through programs that build sustainability. We have created a comprehensive and integrated network to provide effective healthcare and eye care facilities to rural and economically deprived community at all our project areas and beyond. We are also supporting education and environmental initiatives that can raise the awareness level and teaching standards in rural schools.

SPML believes in fairness, transparency, professionalism, accountability and decency in total functioning of the Company, which are pre-requisites for attaining sustainable growth in this competitive scenario. With strong legacy of ethical governance practices, we followed the fundamental ideologies of Trust, Value and Service. The Company has been practicing the principles of good corporate governance over the years and lays strong emphasis on constantly improving on these aspects.

In conclusion, I would like to place my appreciation to board members, the management, our shareholders, bankers, lenders, partners, suppliers, associates and especially our dedicated employees for their consistent support and commitment as well as our esteemed clients for their confidence in us.

Sincerely,

Subhash Chand Sethi

Chairman

Add : Balance brought forward from previous year		20765.71		20466.92
Surplus carried to Balance Sheet		21941.01		20765.71

Business

During the year under review, your company's turnover was Rs. 1094.36 Crores as against Rs.905.87 Crores achieved in the previous year, recording a growth of 20.8%. Earnings Before interest, depreciation, tax & appropriations (EBITA) amounted to Rs. 154.17 Crores as against Rs. 118.24 Crores in the previous year. Net profit for the year was Rs. 11.75 Crores as against Rs.2.99 Crores clocked in the previous year, recording a growth of 292.97%.

Management Discussion and Analysis:

Management Discussion and Analysis Report on the financial condition and operational performance of the Company for the year under review, as stipulated under Clause 49 of the Listing Agreement with the Stock Exchanges in India, is presented in separate section forming part of this Annual Report.

Dividend

In view of inadequacy of profits earned during the year and also requirement of ploughing back of funds in business, your Directors do not recommend any dividend for the financial year 2012-13.

Capital Expenditure

During the year under review, the Company has made additions of Rs. 10.56 Crores to its Fixed Assets consisting of tangible assets.

Consolidated Financial Statements

Your Company has prepared Consolidated Financial Statements in accordance with Accounting Standards AS-21, AS-23 and AS-27 issued by the Institute of Chartered Accountants of India. The Consolidated Statements reflects the results of the Company and that of its Subsidiaries, Joint Ventures and Associates.

As required by Clause 32 of the Listing Agreement with the Stock Exchanges in India, where the shares of the Company are listed, the Audited Consolidated Financial Statements together with the Auditors Report thereon are annexed and forms part of this Annual Report.

Subsidiary Companies

Your Company has 25 subsidiaries (including 8 step down subsidiaries) as on March 31, 2013. The major subsidiaries of the Company are into urban and rural infrastructural development, water treatment and transmission projects, municipal solid waste management, power projects etc.

During the year under review, Your Company has acquired/sold equity shares in subsidiary companies. Your Company has added 2 new step down subsidiaries by way of acquisition of shares in these companies by Delhi Waste Management Ltd, a subsidiary of your Company. These are SJA Developers Private Limited and Synergy Promoters Private Limited.

SPML Bhiwandi Water Supply Infra Ltd and SPML Bhiwandi Water Supply Management Ltd ceased to be the subsidiaries of your Company and have become associates of the Company consequent upon sale of part of shares held by the Company.

In pursuance of General Circular no. 2/2011 dated 8th of February, 2011 issued by Ministry of Corporate Affairs, granting general exemption under section 212(8) for attaching subsidiaries' financial statements, the Board of Directors of the Company had consented for not attaching the Balance Sheet, Profit and Loss Account and other documents of the Subsidiary Companies. However, a statement of summarized financials of all Subsidiaries of your Company as required under Section 212 (8) of the Companies Act, 1956 including capital, reserves, total assets, total liabilities, details of investment, turnover, profit before and after taxation, provision for taxation and proposed dividend pursuant to the General Circular issued by Ministry of Corporate Affairs, forms part of this Report. The Company will make available the Annual Accounts of the Subsidiary Companies and the related detailed information to any Member of the Company as well as shareholder of the Subsidiary Companies who may be interested in obtaining the same. The Annual Accounts of the Subsidiary Companies will also be kept open for inspection at the Registered Office of the Company and also at the Registered Office of the Subsidiary Companies concerned on any working day during business hours.

Directors

Mr. R. L. Gaggar and Mr. Amit Kanodia retire by rotation at the ensuing Annual General Meeting and being eligible, offer themselves for re-appointment. The Board has recommends their re-election.

Auditors and Auditors' Report

The joint statutory auditors of the Company, M/s. S. R. Batliboi & Company LLP, Chartered Accountants and M/s. Sunil Kr. Gupta & Company, Chartered Accountants, retire at the conclusion of the 32nd Annual General Meeting and being eligible have offered themselves for reappointment to hold office from the conclusion of the 32nd Annual General Meeting upto the conclusion of the 33rd Annual General Meeting. The Company has received letters from both of them to the effect that their proposed appointment, if made, would be within the limits specified under section 224 (1B) of the Companies Act, 1956.

The Notes on Accounts referred to in the Auditors' Report are self explanatory and therefore do not call for any further comments.

Deposits

During the year under review the Company has neither accepted nor renewed any public deposits under the provisions of Section 58A of the Companies Act, 1956 read with Companies (Acceptance of Deposit) Rules, 1975.

Particulars of Energy Conservation, technology Absorption and Foreign Exchange Earnings and Outgo

The Particulars relating to conservation of energy, technology absorption, foreign exchange earnings and outgo as required to be disclosed under Section 217(1)(e) of the Companies Act, 1956 read with Companies (Disclosure of Particulars in the Report of Board of Directors) Rule, 1988 are provided as Annexure to this report.

Particulars of Employees

In terms of the provisions of Section 217(2A) of the Companies Act, 1956 read with Companies (Particulars of Employees) Amendment Rules, 2011 as amended, the names and other particulars of the employees are set out in this report. However, in pursuance of the provisions of section 219(1)(b)(iv) of the Companies Act, 1956, the Annual Report excluding the aforesaid information is being sent to all the members of the Company and others entitled thereto. Any member interested in obtaining such particulars may write to the Company Secretary at the registered office of the Company.

Employee Stock Option Scheme (ESOS)

No options were granted during the financial year ended 31st March, 2013.

Quality Management System

The Company has maintained strict Quality Management System in all aspects of EPC Contracts and is ISO 9001:2008 certified.

Transfer of Unpaid/Unclaimed amounts to IEPF

Pursuant to the provisions of Section 205A(5) of the Companies Act, 1956, the declared dividends which remained unpaid / unclaimed for a period of 7 years have been transferred by the Company to the Investor Education and Protection Fund (IEPF) established by the Central Government pursuant to Section 205C of the said Act.

Corporate Governance

In pursuance of Clause 49 of the Listing Agreement entered into with the Stock Exchanges, a separate section on Corporate Governance has been incorporated in the Annual Report for the information of the Shareholders. A certificate from the auditors of the company regarding compliance of the condition of Corporate Governance as stipulated under the said Clause 49 also forms part of the Annual Report.

Employees Relations

The relations with the Employees have been cordial throughout the year under review. Your Directors place on record their sincere appreciation in respect of the services rendered by the Employees of the Company at all levels.

Directors' Responsibility Statement

Pursuant to requirement under Section 217(2AA) of the Companies Act, 1956, your Directors confirm that:

- (i) in preparation of the annual accounts, for the year ended 31st March 2013 the applicable accounting standards have been duly followed;
- (ii) the Directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit or loss of the Company for that period;
- (iii) the Directors had taken proper and sufficient care for the maintenance of adequate records in accordance with the provisions of the Companies Act, 1956 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (iv) the Directors had prepared the annual accounts on a 'going concern' basis.

Reconciliation of Share Capital Audit

As per SEBI requirement, Reconciliation of Share Capital Audit is being carried out at specific periodicity by a Practising Company Secretary. The findings of the audit have been satisfactory.

Acknowledgement

Your Directors wish to place on record their sincere appreciation and thanks for the valuable cooperation and support received from the Company's Bankers, Financial Institutions, Central and State Government Authorities, Joint Venture Partners, Clients, Consultants, Suppliers and Members of the Company and look forward for the same in greater measure in the coming years.

On behalf of the Board

Place : Gurgaon
Date : August 14, 2013

Chairman

Annexure to Directors' Report

Additional information pursuant to Section 217(1)(e) of the Companies Act, 1956 read with Companies (Disclosure of Particulars in the Report of Board of Directors) Rule, 1988.

A. CONSERVATION OF ENERGY

a) Energy Conservation measures taken:

In Infrastructure industry, most of the equipments are powered by either electrical motor or by fuel oil powered engines. Since most of the work is carried out in remote locations and is subjected to harsh environmental conditions, the rate of depreciation and abnormal wear and tear is very high. The scope of energy efficiency in our industry will be energy conservation through well planned actions such as quality preventive maintenance, machinery upgradation, modernization and introduction of sophisticated control system.

The Company is using modern fuel efficient machinery, wherever possible, which consumes less time to do a work thereby reducing i) Electric energy & ii) Fuel Oil consumption. The Company has formalized strategies to reduce idle running of machinery, thereby reducing wastage of energy and Fuel Oil consumption.

b) Additional investment and proposals, if any, being implemented for reduction of consumption of energy:

The Management of the Company continuously upgrades and/or replaces old machinery with new fuel efficient machinery as and when required.

c) Impact of the measures (a) and (b) for reduction of energy consumption and consequent impact on the cost of production:

The company has been able to reduce electrical energy and fuel oil consumption. Though it is not possible to quantify the impact, the measures are expected to result in considerable savings.

d) Total energy consumption and energy consumption as per unit of production as per prescribed Form A of the annexure in respect of industries specified in Schedule thereto:

Not applicable as the Company is not covered under the list of specified industries.

FORM B

[See rule 2]

Form for disclosure of particulars with respect to absorption

A. RESEARCH AND DEVELOPMENT (R & D)

1. Specific areas in which R & D carried out by the Company.
2. Benefits derived as a result of the above R & D.
3. Future plan of action.
4. Expenditure on R & D:
 - (a) Capital
 - (b) Recurring
 - (c) Total
 - (d) Total R & D expenditure as a percentage of total turnover.

R & D is a part of continuous process in the Company.

B. TECHNOLOGY ABSORBTION, ADAPTATION AND INNOVATION

The Company has adapted state of the art technology, available in the Industry of operation of the Company to derive cost and efficiency benefits.

C. FOREIGN EXCHANGE EARNINGS AND OUTGO**a) Activities relating to exports, initiatives taken to increase exports development and new export markets for products and services.**

During the year the Company has not carried out any export related activities, hence this segment is not applicable to the Company.

b) Total foreign exchange used and earned:

	2012-13	2011-12
Earnings in Foreign Exchange	Nil	Nil
Expenditure in Foreign Exchange	22.04	47.23

On behalf of the Board

Place : Gurgaon
Date : August 14, 2013

Subhash Chand Sethi
Chairman

Management Discussion & Analysis

SPML Infra Limited is one of leading Engineering, Procurement and Construction Company in India specializing in water treatment and transmission, waste water handling, treatment, recycling, solid waste management and civil infrastructure development. From its humble beginning in 1981 to date, SPML has implemented over 400 projects across 27 states in India in EPC (Engineering, Procurement and Construction), PPP (Public Private Partnership) and BOOT (Built, Own, Operate and Transfer) basis

During its journey spanning over three decades, it has always looked to create competitive advantage by adopting world class practices and operational processes and is one of the pioneers in promoting value based infrastructure development in India.

Today, your Company is focused on optimizing its strategy and operations on efficient handling of challenges facing the sector and better leverage of opportunities coming its way to emerge and develop into as a world class Infrastructure Company.

Major Project Highlights till date:-

- World's highest single stage pumping station set up at Lunglei in Mizoram.
- India's first Integrated Management Contract from source to tap set up under Latur Water Supply Scheme.
- Integrated Bulk Water Supply and Management executed for Bhiwandi Nizampur City Municipal Corporation.
- Executed Central Government aided biggest APDRP Project till date in India.
- Executed Yelahanka Primary/Tertiary Sewage Plant- the first ever tertiary sewage treatment plant of its kind in India for reuse of municipal waste water.

MACRO ECONOMIC OVERVIEW

Four years after the eruption of the global financial crisis, the world economy is still struggling to recover. During 2012-13, global economic growth has weakened further. A growing number of developed economies have fallen into a double-dip recession. Those in severe sovereign debt distress moved even deeper into recession, caught in the downward spiraling dynamics from high unemployment, weak aggregate demand compounded by fiscal austerity, high public debt burdens, and financial sector fragility. Growth in the major developing countries, including the BRIC nations (Brazil, Russia, India and China) and economies in transition has also decelerated notably, reflecting both external vulnerabilities and domestic challenges. Most low-income countries have held up relatively well so far, but now face intensified adverse spillover effects from the slowdown in both developed and major middle-income countries. The prospects for the next two years continue to be challenging, fraught with major uncertainties and risks slanted towards the downside.

INDUSTRY OVERVIEW

Development of infrastructure is the key to long-term sustainable growth of the economy as it ensures percolation of economic resources to the lower strata of society and the Government of India certainly realizes that for achieving a high growth rate of 9% and above, development of infrastructure plays an important part and is focused on this sector.

An initial investment of USD 1 trillion is targeted towards development of Infrastructure including roads, railways, ports, airports electricity, telecommunications, oil and gas pipelines and irrigation in the Twelfth FYP (2012-17), as per an approach paper by the Planning Commission, which is a growth of more than 10.5% over budget allocations over the Eleventh FYP. As per projections, at least 50% of this investment is expected to be made by the private sector, a rise of 36% from the Eleventh FYP. This planned investment, if realized, can propel the country's economic growth to a higher trajectory. Figure-1 represents projections data for the 12th Five Year Plan released during the mid-term appraisal of the 11th Five year Plan.

Figure 1-Projected investments in infrastructure in the 12th Five Year Plan Rs. Crore at 2006-07 prices

Source: Planning Commission

The government has also been favorable towards development of infrastructure in India by offering tax concessions under Section 80IA and 80IB of the Income Tax. During Budget 2013-14, the exemptions have been further extended for another 10 years. Besides, under the Foreign Direct Investment policy of the Government of India, 100% FDI is allowed in almost every sector except for aviation and petroleum refining to soothe the economic environment of Infrastructure development in India, which is at present struggling with the problem of liquidity and decision making and is going through a lean phase due to lack of inertia on the part of government and its agencies in project execution and development.

To ensure faster implementation of major planned projects, the Government has announced a single-window clearance mechanism under the Cabinet Secretary for review and issue of clearances associated with major projects. The clearance board, to be set up on similar lines of the Foreign Investment Promotion Board (FIPB), would act as a problem-resolver and investment tracker for projects over Rs 1,000 crore (US\$ 184.16 million) and will include representatives from the ministries of home, defense, environment and forests, commerce, coal, department of space and other infrastructure and energy-related ministries and departments.

All these are positive developments for the Industry and present a vast opportunity for private players in all the Infrastructural sectors which are being catered by your company. However, to wean out this phase of pain and churn for the infrastructure sector in India, increased thrust will be required on scaling up sustainable public private partnership models by redefining contours of their participation and fast decision making and its implementation by the Government and its agencies besides driving sufficient inflow of funds for infrastructural projects.

(Source: Economic Survey, Government of India)

COMPANY OUTLOOK AND STRATEGY

SPML Infra Limited at present operates in verticals comprising of water, environment, electrical and civil infrastructure works. Your Company will continue to focus on its current operational verticals and strive to become a quality player in new areas of its operations, like power distribution and waste management. Your Company is already an established player in the water management sector and will strive to achieve greater heights in this area.

During the year under review, your Company has identified new areas of operations in the Infrastructure sector which will help in augmenting the results of the Company and optimization of the capabilities of the Company. As a strategy to achieve its goals, the Company has deputed a team of professionals to identify and bid for projects in the operating verticals of the Company. The Company has also started implementing measures to minimize escalation costs by embarking on timely completion of projects.

During the year under review, your company has signed MoU worth Rs. 3000 Crore with Govt. of Gujarat to setup a number of Water Treatment Plants, Augmentation of Water Supply Schemes, Sewage Treatment & Recycling Plant, Sewerage Management Network and facility for Municipal Solid Waste management for the state and received new orders worth Rs. 1800 Crore from the states of Rajasthan and Delhi for water supply and distribution network and development of infrastructure for water and solid waste management. Among the new orders received by the company, one of the order is the prestigious orders received from Delhi Jal Board for improvement in water distribution networks in South Delhi neighborhoods of Malviya Nagar, Mehrauli and Vasant Vihar and adjoining areas of India's capital city Delhi.

BUSINESS SECTOR PERFORMANCE REVIEW

The Company's order backlog as on 31st March, 2013 was Rs. 4009 Crores. The order backlog is distributed mainly into Water and power sector. Besides these sectors, the company has also expanded its operations in other areas to garner revenue and increase shareholders' worth.

Water and Waste Water Segment

The Company has focused mostly on this segment and has an order book worth Rs. 3791 Crores as on 31st March, 2013. During the year under review, your company has won orders worth Rs. 991 Crores from PHED Rajasthan for installation, supply and distribution of drinking water to various regions of Rajasthan.

The Company has also secured orders worth Rs. 720 Crores from Delhi Jal Board for for improving efficiency of water distribution network under Malviya Nagar UGR command area, with Operation & Maintenance for 12 years, and for improvement in Service Level for Water Supply in Mehrauli Project Area and Vasant Vihar Project Area, with Operation & Maintenance for 8/10 years for a value of Rs. 200.80 Crores.

Region wise orders in Water and Waste Water for 2012-13

Major New Developments:-

- Order received from Gwalior Municipal Corporation worth Rs. 30.15 Crores for providing and laying of Trunk sewer within the limits of Gwalior Municipal Corporation.
- Letter of Indent from Delhi Jal Board, Government of NCT of Delhi worth Rs. 177.81 Crores for supply, installation and maintenance of AMR/Non-AMR water meters in Delhi.
- Orders worth Rs. 421 Crores obtained from PHED, Laxmangarh-Fatehpur in the state of Rajasthan for installation, supply and maintenance of water supply in 72 villages across the area covered under Laxmangarh-Fatehpur districts.

Power

This has been another focus area of operations for the Company during the year under review. The Company operates in both hydro and thermal based power projects. Total value of contracts in the power sector as on 31st March, 2013 was Rs. 218 Crores. The largest of these is from Rajasthan Rajya Vidyut Nigam Limited worth Rs. 105 Crores.

The Company through its subsidiaries Subhash Kabini Power Corporation Limited, owns, maintains and operates the 20MW Kabini Hydro Electric power project in the state of Karnataka. The Company is also undertaken 5 small Hydro Electric projects in the State of Himachal Pradesh aggregating 22.5 MW and 3 small Hydro Electric projects, aggregating 42 MW in the State of Uttarakhand on Build, Own and Operate scheme.

Major new Developments:-

- The Company has obtained orders worth Rs. 192 Crores from Bangalore Metro Rail Corporation Limited for underground cabling work.
- The Company has obtained letter of Intent from Bihar State Electricity Board for acting as distribution franchisee for Bhagalpur town and adjoining region.

Solid Waste Management Solutions

The company has stated to have a strong foothold in providing end to end solid waste management solution to Municipalities, Airports and Industries across India. The Company has incorporated a special purpose vehicle Delhi Waste Management Private Limited to carry out collection, segregation and transportation of municipal solid wastes from 3 out of 12 zones of Delhi. The Company is also engaged in collection, segregation and transportation of solid wastes at Indira Gandhi International Airport, Delhi and Hyderabad International Airport.

The Company has also been engaged by Madurai and Allahabad Municipalities for providing solid waste management solutions to them on BOOT basis.

Infrastructure

SPML is involved in the construction of roads, bridges, flyovers, highways and other infrastructural activities. Major projects under progress are as follows:-

- Development of infrastructural activities for relocation of Industries at Bawana, Delhi.
- Construction of Dalkhola Bypass in the State of West Bengal.
- Offsite Area Civil work for Barh Super Thermal Power Project.
- Major plant civil work for Korba Super Thermal Power Project, Chattisgarh.
- Development of State Highways in various regions of Bihar and Madhya Pradesh.

Operational Performance:-

During the year under review, the Company's revenue from operations stood at Rs. 1094.36 Crores, registering a growth of 20.81% over last year's revenues of Rs. 905.87 Crores. Your Company was successful in securing projects by bidding aggressively and better handling of competition. Out of the total revenues from operations, 86% is derived from Construction contracts and other operating revenues contributing the rest.

Expenditure**Direct expenditure**

Direct expenditure for the year under review increased to Rs. 789.57 Crores as against 652.09 Crores recorded in the previous year, registering an increase of 21.08%.

Overheads

Overheads during the year under review stood lower at Rs. 110.75 Crores, representing 10% Income from Operations as against Rs. 117.58 Crores, representing 13% of the operating revenue in the previous year.

Operating Profit

During the year under review, the operating profits (EBITA) of the Company stood at Rs. 154.17 Crores, representing 14.09% of the income from operations compared to Rs. 118.24 Crores, representing 13.05% of the operating revenues in previous year.

Profit after Tax

Net profit after tax earned by the Company during the year increased by 292.97% to Rs. 11.75 Crores from Rs. 2.99 Crores in the previous year.

Finance Cost

During the year under review, finance costs increased by 30% to Rs. 133.94 Crores from Rs. 103.08 Crores in the previous year. This was mainly due to increase in Mobilisation Advance during the current year.

RISKS, CONCERNS AND THREATS

This section enumerates forward looking statements that involve risks, threats and uncertainties. Our actual results could differ materially from those anticipated in these statements as a result of certain factors. This section lists risks, concern and threats:-

Industry Risks

Any change in the economic conditions of the Country can affect the performance of the Company by having a cascading effect over the business of the Company and its earnings. Besides, Government policies on the infrastructure sector and business environment will also play a crucial role in the sustainability of long term goals of the Company.

Operational and Liquidity risks

Infrastructure projects generally have long gestation periods which may result in inordinate delays in recovery of dues, which may have a direct impact on the liquidity position of the Company and will effect the operations and earnings of the Company. Quick and just turnover of projects depends on competency of the Company as well as availability and proper deployment of skilled manpower. Any gap therein may affect the Company's performance.

Risks associated with Strategy and Competition

Laws in India restrict our strategy for organic as well as inorganic growth by limiting our capability to raise capital within and outside India and also limit the ability of others to acquire us or be acquired by us, which could prevent us from operating our business or entering into transactions that is in the best interest of our shareholders.

We operate in a competitive and rapidly changing market and compete with both domestic as well as international Companies for projects. Economics of scale with competitors and unfair competition can effect our operations thereby affecting market share and business.

Risk Mitigation Strategy of the Company

Your Company has identified the above risks and has devised and put in place a well defined risk identification, monitoring, mitigation and reporting process. Your Company has set out a clear vision for itself and has diversified interest across verticals, whereby reducing its over-dependence on a single vertical. Your Company provides comprehensive training to its entire staff as and when required to upgrade their skills for proper execution of projects undertaken by the Company.

INTERNAL CONTROL

The Company has adequate systems of internal controls to ensure that all the assets of the Company are secure, safeguarded and productive. The Company has ensured that proper checks and balances are in place and reviewed on regular intervals to ensure that transactions are properly authorized and accounted for in a correct and proper manner. The Internal Control Systems are reviewed by the Audit Committee and top management in consultation with the Internal Auditors of the Company, whenever necessary and corrective measures, if any required, is initiated wherever necessary. The CEO and CFO Certification provided in the CEO and CFO Certification section of the Annual Report provides an insight on the adequacy of Internal controls.

HUMAN RESOURCES

Human resource is the biggest assets of the Company. The Management of the Company lays special emphasis on the welfare of its employees and training, welfare and safety measures are undertaken on a regular basis. Relations with the employees of the Company remained cordial through out the year. Total employee strength as on 31st March, 2013 stood at 750.

CAUTIONARY STATEMENT

The Statements in the management discussion and analysis report describing the Company's objectives, plans, projections, estimates and expectations may constitute forward looking statements within the meaning of applicable laws and regulations. Actual results may differ from those expressed or implied in the statement depending on the circumstances.

Report on Corporate Governance

In terms of regulations of clause 49 of the Listing Agreement entered into with Stock Exchanges, the Company hereby submits a report on the matters as mentioned in the said clause and practices followed by the Company.

Your Company's policy on corporate governance is based on the foundations of Trusteeship, Transparency, Empowerment and Accountability and control with a vision to achieve ethically driven business processes that is committed to values and conduct. At SPML, we believe that as we move closer towards our aspirations of becoming a global corporation, our corporate governance standards must be globally benchmarked. This gives us the confidence of having put in the right building blocks for future growth and ensuring that we achieve our ambitions in prudent and sustainable manner. The Board of Directors of your Company has always laid emphasis on the highest standards of Corporate Governance to create value that can be sustained over the long term for all stakeholders, including shareholders, employees, customers, government and the lenders.

9. Code of Conduct

The SPML Code of Business Conduct and Ethics, as adopted by the Board of Directors is a comprehensive Code applicable to all Directors, Executive as well as Non-Executive as well as members of Senior Management. A copy of the Code has been put on the Company's website www.spml.co.in

The Code has been circulated to all members of the Board and Senior Management and the compliance of the same has been affirmed by them.

For SPML Infra Ltd.

Subhash Chand Sethi
Chairman

Date: May 27, 2013

Auditors' Certificate

To,
The Members of SPML Infra Limited

We have examined the compliances of conditions of corporate governance by **SPML Infra Limited**, for the year ended 31st March, 2013, as stipulated in clause 49 of the Listing Agreement of the said Company with stock exchanges.

The compliance of conditions of corporate governance is the responsibility of the Company's management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that except for the following, the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned listing agreements:

1. *From April 1, 2012 to August 6, 2012, the Company's board of directors consisted of three independent directors as against the minimum requirement of four independent directors as per the then prevailing constitution of the board.*
2. *From April 1, 2012 to September 7, 2012, the Company has not appointed one of its independent directors on the board of Subhash Kabini Power Corporation Limited, a material non-listed Indian subsidiary company.*

We further state that such compliance is neither an assurance as to the future viability of the Company nor efficiency or effectiveness with which the management has conducted the affairs of the Company.

Independent Auditors' Report

To

The Members of SPML INFRA LIMITED

1. Report on the financial statements

We have audited the accompanying financial statements of SPML Infra Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2013, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

2. Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with accounting principles generally accepted in India, including the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

4. Basis for qualified opinion

Attention is drawn to Note No. 43 in respect of a contract partially terminated by the client, the matters relating to settlement of claims, counter claims and consequential damages whereof are presently sub-judice. Accordingly, we are unable to comment about the impact, if any, of the aforesaid termination on the related contract value, contract cost and unbilled revenue and its consequential impact on the profit for the year and the reserves and surplus of the company as at the Balance Sheet date.

The audit report for the year ended March 31, 2012 was also modified for the above matter.

5. Qualified Opinion

Except for the possible effect of the matter stated in paragraph 4 above, in our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- (b) in the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

6. Emphasis of Matter

Attention is drawn to Note No.48 to the financial statements regarding the arbitration claims of Rs.6,624.71 lakhs (including Rs.3,596.41 lakhs awarded in an earlier year) having been recognised in the books as income during the year as the management believes that these awards have reached their finality and it is confident to recover these arbitration claims in full. Our opinion is not qualified in respect of this matter.

7. Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
2. As required by section 227(3) of the Act, we report that:
 - (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books
 - (c) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account
 - (d) In our opinion, the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement comply with the Accounting Standards referred to in subsection (3C) of section 211 of the Companies Act, 1956;
 - (e) On the basis of written representations received from the directors as on March 31, 2013, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2013, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956.

Annexure referred to in paragraph 7(1) under the heading “Report on other legal and regulatory requirement” of our report of even date

Re: SPML INFRA LIMITED (the Company)

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
(b) Fixed Assets were physically verified by the management during the year in accordance with a planned programme of verifying all the fixed assets over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. As informed, no material discrepancies were noticed on such verification.
(c) There was no substantial disposal of fixed assets during the year.
- (ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year.
(b) The procedures of physical verification of inventory followed by the management are reasonable and adequate in relation to the size of the Company and the nature of its business.
(c) According to the information and explanations given to us, the Company is maintaining proper records of inventory and no material discrepancies were noticed on physical verification.
- (iii) (a) The Company has granted loans to four parties covered in the register maintained under Section 301 of the Companies Act, 1956. The maximum amount involved during the year was Rs.2,740.83 lakhs and the year end balances of loans granted to such parties was Rs. 2,698.79 lakhs.
(b) In our opinion and according to the information and explanations given to us, the rate of interest and the terms and conditions for the above loans are not prima facie prejudicial to the interest of the Company.
(c) The above loans are stated to be repayable on demand. As informed, the repayment of above loans, to the extent demanded by the Company, has been received during the year and thus, there was no default on the part of the borrowers. The payment of interest with respect to such loans is stated to have been regular.
(d) In view of the above loans being repayable by the parties on demand, there is no overdue amount of loans granted to such parties.
(e) The Company has not taken any loans, secured or unsecured, from companies, firms or other parties covered in the register maintained under section 301 of the Companies Act, 1956. Accordingly, the provisions of clause 4(iii) (e) to (g) of the Order are not applicable to the Company and hence not commented upon.
- (iv) In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business, for the purchase of inventory and fixed assets and for the sale of goods and services. During the course of our audit, we have not observed any major weakness or continuing failure to correct any major weakness in the internal control system of the company in respect of these areas.
- (v) (a) According to the information and explanations provided by the management, we are of the opinion that the particulars of contracts or arrangements referred to in section 301 of the Companies Act, 1956 that need to be entered into the register maintained under section 301 have been so entered.
(b) In our opinion and according to the information and explanations given to us, the transactions made in pursuance of such contracts or arrangements exceeding the value of Rupees Five lakhs have been entered into during the financial year at prices which are reasonable having regard to the prevailing market prices at the relevant time.
- (vi) As informed, the Company has not accepted any deposits from the public within the purview of Sections 58A and 58AA of the Companies Act, 1956 and the rules framed there under.
- (vii) In our opinion, the Company has an internal audit system commensurate with the size and nature of its business
- (viii) We have broadly reviewed the books of accounts maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 209(1)(d) of the Companies Act, 1956, in respect of its construction activities and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained.

- (ix) (a) Undisputed statutory dues including provident fund, investor education and protection fund, employees' state insurance, income-tax, sales-tax, wealth-tax, service tax, customs duty, excise duty and cess to the extent applicable, *have not been regularly deposited with the appropriate authorities and there have been significant delays in a number of cases.*
- (b) According to the information and explanations given to us, *undisputed dues in respect of provident fund, investor education and protection fund, employees' state insurance, income-tax, wealth-tax, sales tax, customs duty, excise duty, employees' state insurance, cess and other material statutory dues which were outstanding at the year-end for a period of more than six months from the date they became payable, are as follows:*

Name of the Statute Payment	Nature of The Dues	Amount (Rs. in lakhs)	Period to which the amount relates	Due Date	Date of
The Bihar Value Added Tax Act, 2005	Works Contract Tax (including interest)	290.01	2008-09 to 2011-12	20th day of subsequent month	Not yet paid
Finance Act, 1994	Service Tax (including interest)	53.84	2011-12 to 2012-13	5th day of subsequent month	Not yet paid
The Bihar Value Added Tax Act, 2005	Entry tax including interest)	85.22	2007-2008 to 2012-13	20th day of subsequent month	Not yet paid
Income Tax Act, 1961	Interest on TDS	14.43	2012-13	7th day of subsequent month	Not yet paid
Employees Provident Fund, 1952	Interest on Provident Fund	4.91	2012-13	15th day of subsequent month	Not yet paid
The Assam Value Added Tax Act, 2003	Value Added Tax	7.24	2011-12	20th day of subsequent month	Not yet paid

- (c) According to the records of the Company, the dues outstanding of income-tax, sales-tax, wealth-tax, service tax, customs duty, excise duty and cess on account of any dispute, are as follows:

Name of the Statute	Nature of The Dues	Amount (Rs. in lakhs)	Period to which the amount relates	Forum where Dispute is pending

Finance Act, 1994	Service tax on advance received	23.13	2005-06 to 2006-07	Commissioner Service Tax, Kolkata

- (x) The Company has no accumulated losses at the end of the financial year and it has not incurred cash losses in the current and immediately preceding financial year.
- (xi) Based on our audit procedures and as per the information, explanations and documents produced to us by the management, we are of the opinion that the Company has not defaulted in repayment of dues to banks or financial institutions. The Company has no outstanding dues from any debenture holders.
- (xii) According to the information and explanations given by the management and based on the documents and records produced to us, the Company has not granted loans and advances on the basis of security by way of pledge of shares, debentures and other securities.
- (xiii) In our opinion, the Company is not a chit fund or a nidhi / mutual benefit fund / society. Therefore, the provisions of clause 4(xiii) of the Order are not applicable.
- (xiv) In our opinion, the Company is not dealing or trading in shares, securities, debentures and other investments. Accordingly, the provisions of clause 4(xiv) of the Order are not applicable.
- (xv) According to the information and explanations given to us, the Company has given guarantee for loans taken by others from bank or financial institutions, the terms and conditions whereof, in our opinion, are not prima-facie prejudicial to the interest of the Company.
- (xvi) Based on the information and explanations given to us by the management, term loans were applied for the purpose for which these loans were obtained.

- (xvii) According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long-term investment.
- (xviii) The Company has not made any preferential allotment of shares during the year to parties or companies covered in the register maintained under section 301 of the Companies Act, 1956.
- (xix) The Company did not have any outstanding debentures during the year.
- (xx) The Company has not raised any money by public issue during the year.
- (xxi) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and as per the information and explanations given by the management, we report that no fraud on or by the Company has been noticed or reported during the course of our audit.

Notes to the financial statements as at and for the year ended 31st March, 2013

Significant Accounting Policies and Notes to Accounts

1. SIGNIFICANT ACCOUNTING POLICIES

(i) Basis of preparation

The financial statements have been prepared to comply in all material respects with the accounting standards notified by the Companies Accounting Standards Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared under the historical cost convention on an accrual basis. Insurance claims, on the ground of prudence or uncertainty in realization, are accounted for on acceptance / actual receipt basis. The accounting policies applied by the Company are consistent with those used in the previous year.

(ii) Use of estimates

The preparation of financial statements in conformity with the generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon the management's best knowledge of current events and actions, actual results could differ from these estimates.

(iii) Tangible Fixed Assets

(a) Fixed assets are stated at cost of acquisition inclusive of duties (net of CENVAT / VAT), taxes, incidental expenses, erection/commissioning expenses etc. upto the date the asset is ready to be put to use.

Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use

(b) Machinery spares which can be used only in connection with an item of fixed assets and whose use as per technical assessment is expected to be non-regular, are capitalized and depreciated prospectively over the useful life of the respective assets.

Intangible Fixed Assets

(a) Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

(iv) Depreciation/Amortisation

Depreciation on fixed assets is provided on straight-line method at the rates and in the manner prescribed in schedule XIV to the Companies Act, 1956 or at the rates determined based on useful life of the respective asset, as estimated by the management, which generally coincides with the life prescribe under schedule XIV whichever is higher.

In case of impairment, if any, depreciation is provided on the revised carrying amount of the assets over their remaining useful life.

Assets costing Rs.5,000 or less are depreciated @100% in the year of purchase.

Intangible assets (specialised software) are amortised using the straight line method over a period of five years.

(v) Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the year they occur.

(vi) Impairment

The carrying amount of tangible and intangible assets is reviewed at each balance sheet date to determine if there is any indication of impairment thereof based on external/internal factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount, which represents the greater of the net selling price of assets and their 'value in use'. The estimated future cash flows considered for determining the value in use, are discounted to their present value using a pre tax discount rate that reflects current market assessment of the time value of money and the risks specific to the asset.

(vii) Leases

Lease where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets is classified as operating lease. Operating lease payments are recognized as expense in the Statement of Profit & Loss on straight line basis over the lease term.

(viii) Investments

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on individual investment basis. Long term investments are considered at cost, unless there is an "other than temporary" decline in value thereof, in which case, adequate provision for diminution is made in the accounts.

(ix) Inventories

Materials, components and stores & spares to be used in contracts are valued at lower of cost, which is ascertained on weighted average basis, or net realizable value whichever is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale.

Stock of trading goods is valued at lower of cost, which is ascertained using First in First out (FIFO) Method, or net realizable value which is the estimated selling price in the ordinary course of business, less estimated costs necessary to make the sale.

Cost of work yet to be certified / billed, as it pertains to contract costs that relate to future activity of the contract, is recognized as contract work in progress provided it is probable that the same will be recovered. Work-in-progress is valued at cost. However, in case of contracts where losses are likely to occur, the stock is considered at net realisable value. Costs include materials, labour and appropriate portion of construction overheads.

(x) Revenue recognition**(a) Construction contracts**

Revenue on contracts is recognized on "percentage completion method" based on the stage of completion of the contract. The stage of completion is determined as a proportion that contract costs incurred for work performed upto the reporting date bear to the estimated total costs. When it is probable that the total contract cost will exceed the total contract revenue, the expected loss is recognized immediately. For this purpose, total contract costs are ascertained on the basis of actual costs incurred and costs to be incurred for completion of contracts in progress, which is arrived at by the management based on current technical data, forecasts and estimate of expenditure to be incurred in future including contingencies, which being technical matters have been relied upon by the auditors. Revisions in projected profit or loss arising from change in the estimates are reflected in each accounting period which, however, cannot be disclosed separately in the financial statements, as the effect thereof cannot be accurately determined.

Overhead expenses representing indirect costs that cannot be directly aligned with the jobs are allocated over the various contracts on a systematic basis.

Disputed claims towards extra work, damages etc. are accounted for on settlement of the arbitration proceedings / legal cases or when there are no significant uncertainties as regards the collection of the arbitration award ruled in favor of the Company by the arbitrator.

The Company collects Value Added Tax (VAT), Sales tax and Service tax on behalf of the government and therefore, these are not economic benefits flowing to the Company and have been excluded from the revenue.

(b) Sale of Goods

Revenue from sale of goods is recognized on passage of title thereof to the customers, which generally coincides with delivery. Sales are net of returns, claims, trade discounts etc.

(c) Income from Services

Revenues from operation and maintenance contracts are recognized on rendering of services as per the terms of contract.

(d) Interest

Interest is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

(e) Dividends

Revenue is recognized when the shareholders' right to receive payment is established by the balance sheet date.

(xi) Liquidated damages

No provision is made for liquidated damages deducted by the customers, wherever these have been refuted by the Company and it expects to settle them without any loss. Pending settlement of these claims, the relative trade receivables are shown in the accounts as fully recoverable and the corresponding amounts are reflected as contingent liability in terms of the provisions contained in Accounting Standard – 29.

(xii) Foreign currency translations

Initial Recognition

Foreign currency transactions are recorded in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange Differences

Exchange differences arising on the settlement or reporting of monetary items at rates different from those at which they were initially recorded during the period or reported in previous financial statements and / or an conversion of monetary items, are recognized as income or expenses in the year in which they arise.

(xiii) Retirement and other employee benefits

Employee benefits in the form of Provident Fund being a defined contribution scheme are charged to the Statement of Profit and Loss in the year when the contributions to the funds are due. There are no obligations other than the contributions payable to the fund.

Gratuity liability being a defined benefit obligation is provided for based on actuarial valuation made at the end of each financial year using the projected unit credit method.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date. Such short-term compensated absences are provided for in the Statement of Profit and Loss based on estimates.

Actuarial gain and losses are recognized immediately in the Statement of Profit & Loss as income or expenses.

(xiv) Income taxes

Tax expense comprises of current (net of Minimum Alternate Tax (MAT) credit entitlement) and deferred tax.

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961. Deferred income tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by the same governing taxation laws. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each balance sheet date, the Company re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realised.

MAT credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the Statement of Profit and Loss and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specified period.

(xv) Segment Reporting

Identification of Segments

The Company has identified that its business segments are the primary segments. The Company's businesses are organized and managed separately according to the nature of activity, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

Allocation of common costs

Common allocable costs are allocated to each segment on case to case basis applying the ratio, appropriate to each relevant case. Revenue and expenses, which relate to the enterprise as a whole and are not allocable to segment on a reasonable basis, have been included under the head "Unallocated - Common".

Segment Policies

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

(xvi) Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

(xvii) Provisions

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

Provisions made in terms of Accounting Standard 29 are not discounted to their present value and are determined based on management estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates.

(xviii) Cash and Cash Equivalents

Cash and cash equivalents as indicated in the Cash Flow Statement comprise of cash at bank and in hand and short term investments with an original maturity of three months or less.

(xix) Accounting for interests in joint ventures

In respect of joint ventures entered into with other parties in the form of 'integrated joint ventures', the accounting treatment is done as below in terms of Accounting Standard 27 notified by the Companies Accounting Standards Rules, 2006 (as amended):

- (a) Company's share in profits and losses is accounted for on determination of profits or losses by the Joint Ventures;
- (b) Investments are carried at cost, net of the Company's share of profits or losses recognized in the accounts.

(xx) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

(xxi) Measurement of EBITDA (Earnings before interest, tax, depreciation and amortization)

As permitted by the Guidance Note on the Revised Schedule VI to the Companies Act, 1956, the Company has elected to present EBITDA as a separate line item on the face of the statement of profit and loss. The Company measures EBITDA on the basis of profit from continuing operations. In its measurement, the Company does not include depreciation and amortization expense, finance costs and tax expense.

2. SHARE CAPITAL*(Rs. In Lakhs)*

Particulars	As at	
	31st March, 2013	31st March, 2012

Mobilisation Advances against Project.

31. INTEREST IN JOINT VENTURES:

Particulars of the Company's interest in Jointly Controlled Entities are as below:

Name of Joint Venture	Proportion of Ownership	Country of	
		Incorporation	Residence
Siddartha - Mahavir – SPML	10%	India	India
Om Metal Consortium	10%	India	India
KBL - SPML (JV) ***	50%	India	India
SPML – Insituform (Refer Note No. 47)	50%	India	India
SPML - CISC	50%	India	India
SPML - HCIL ***	33%	India	India
SPML - Simplex	50%	India	India
Malviya Nagar Water Services Pvt. Ltd.	26%	India	India

***Represents joint ventures where the Company, through a supplementary agreement with the JV partners, has altered its risk and reward from 50% and 33% to a specific amount of the contract representing 50% and 99% respectively of the total contract value and for which "back to back" work contract has been awarded to the Company by the JV entities. Accordingly, the Company's share of assets, liabilities, income and expense in respect of these JV entities has not been disclosed in the table given below since these figures have got incorporated directly through the contract accounting. However, joint venture partners are, jointly and severally, liable to clients for any claims in these projects as per the original terms of the contract.

The Company's share of assets, liabilities, income and expenses in the jointly controlled entities as at and for the year ended 31st March, 2013 is as follows :-

(Rs. in lakhs)

Name of the joint venture	Company's share in				
	Assets	Liabilities	Income	Expenses	Profit/Loss (-) after tax
Siddartha - Mahavir - SPML**	639.10 (629.38)	545.64 (554.89)	351.08 (75.54)	341.80 (66.54)	9.28 (9.00)
Om Metal Consortium **	1,222.97 (1,182.60)	11.48 (8.20)	- -	- -	- -
SPML - Insituform #	- (2,885.65)	- (3,019.05)	- (551.05)	311.64 (1,001.58)	-311.6 (-450.53)
SPML - CISC **	238.82 (237.91)	53.33 (323.32)	- (9.25)	7.94 (3.06)	(7.94) (6.19)
SPML - Simplex	121.26 (114.16)	13.93 (12.18)	57.30 (3.88)	51.96 (1.41)	5.34 (2.47)
Malviya Nagar Water Services Pvt. Ltd. **	1.30 (-)	1.30 (-)	- (-)	- (-)	- (-)
Total	2,223.45 (5,049.70)	625.68 (3,917.64)	408.38 (639.72)	713.34 (1,072.59)	-304.96 (-432.87)
Share of Net Assets / Profit / (loss) after tax	1,597.77 (1,132.06)		-304.96 (-432.87)*		

* The Company had renounced a major part of its risk and reward in the joint venture through supplementary agreement in favor of the joint venture partner for a specified consideration which was duly accounted for upfront as Company's share of profit in the joint venture amounting to Rs. 267.54 lakhs.

** Based on the provisional financial statements as certified by the management.

Refer Note No.47

Capital Expenditure Commitments and Contingent Liabilities of the Joint Ventures –Rs. Nil (Rs.60.63 lakhs).

32. MANAGERIAL REMUNERATION

Details of managerial remuneration for chairman and managing director are as follows:

B. Disclosures of outstanding loans and advances given by the Company together with maximum amount thereof as required under clause 32 of the Listing Agreement are as below:

(Rs. In Lakhs)

Particulars	Amount outstanding at year end	Maximum outstanding during the year
Loans and advances in the nature of loans to subsidiaries and associate by name and amount (including advances given towards share application money)	As given in 38A (i) above	
Loans and advances in the nature of loans where there is (i) no repayment schedule or repayment beyond seven years	Advances to parties given in Note Nos. 38A (i) and 38A (ii) above are repayable on demand	
(ii) no interest or interest below section 372A of Companies Act by name and amount	Nil	
Loans and advances in the nature of loans to firms/companies in which directors are interested by name and amount	As given in Note No. 38A (ii) above	

39. (a) Gratuity plans (AS 15 Revised)

The Company has a defined benefit gratuity plan. Every employee who has completed five years or more of service is entitled to Gratuity on terms not less favorable than the provisions of The Payment of Gratuity Act, 1972. The scheme is unfunded.

The following table summaries the components of net benefit expenses recognized in the Statement of Profit & Loss and the amounts recognized in the balance sheet:

(Rs. In Lakhs)

	2012-13	2011-12
(i) Net employee benefit expense (recognized in Employee Cost)		
Current service cost	41.51	54.86
Interest cost on benefit obligation	28.39	26.50
Net Actuarial (gains) / losses recognized in the year	(77.34)	(48.93)
Total employer expense recognized in the Statement of Profit and Loss	(7.44)	32.43
(ii) Actual return on plan assets	Not Applicable	Not Applicable
(iii) Benefit Asset/(Liability)		
Defined benefit obligation	(289.84)	(341.14)
Benefit Asset / (Liability)	(289.84)	(341.14)
(iv) Movement in benefit liability		
Opening defined benefit obligation	341.14	321.52
Interest cost	28.39	26.50
Current service cost	41.51	54.86
Benefit paid	(43.86)	(12.81)
Actuarial (gains)/losses on obligation	(77.34)	(48.93)
Closing benefit obligation	289.84	341.14
(v) Movement in fair value of plan assets	Not Applicable	Not Applicable

The Principal actuarial assumptions are as follows:

	2012-13	2011-12
Discount rate	8.00%	8.00%
Withdrawal Rate	Varying between 8% per annum and 1% per annum depending on duration and age of employees	Varying between 2% per annum and 1% per annum depending on duration and age of employees
Expected rate of return on Plan assets	Not Applicable	Not Applicable
Expected Average remaining working lives of employees (years)	21.13	21.58
Experience Adjustments on Plan Liabilities	Not Available*	

* The management has relied on the overall actuarial valuation conducted by the actuary. However, experience adjustments on plan liabilities are not readily available and hence not disclosed

(b) Amount incurred as expense for defined contribution plans

(Rs. In Lakhs)

	2012-13	2011-12
Contribution to Provident and other funds	214.31	281.02

Notes:

- The estimate of future salary increase considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.
- The gratuity liabilities are unfunded. Accordingly, information regarding planned assets are not applicable.
- Amounts for the current and previous periods are as follows:

(Rs. In Lakhs)

Description	As at 31st March, 2013	As at 31st March, 2012	As at 31st March, 2011	As at 31st March, 2010	As at 31st March, 2009
Defined Benefit Obligation	289.84	341.14	321.52	278.15	213.22
Assets/ (Liability)	(289.84)	(341.14)	(321.52)	(278.15)	(213.22)

40. The Company has claimed income tax benefits of Rs. 27,894.44 lakhs (Rs. 26,191.83 lakhs upto March 31, 2012) approx. having tax impact of Rs. 8,034.45 lakhs (March 31, 2012: Rs. 7,482.04 lakhs) including Rs. 552.41 lakhs (March 31, 2012 : Rs 574.40 lakhs) for the year, approx. under section 80IA of the Income Tax Act, 1961, on construction contracts for certain infrastructure projects executed on behalf of various departments / agencies of different State Governments during the financial years 2003-04 onwards. In the tax assessments for the financial years upto 2008-09, the above claims were initially disallowed by the Tax Authorities, but the appellate authorities during the year have allowed the aforesaid claims for the years 2005-2006 to 2008-2009. Accordingly, the Company feels that all such claims under Section 80IA would be allowed for subsequent years also. The Company's writ with the Honorable Calcutta High Court, challenging the validity of the retrospective amendment in Section 80IA, which, as per legal opinion obtained by the Company, is ultra vires to the main section of the Income Tax Act, 1961, however, remains pending disposal.

41. Minimum Alternate Tax entitlement aggregating Rs. 2,322.99 lakhs (Rs. 2,051.67 lakhs upto March 31, 2012) (including Rs. 271.32 lakhs (March 31, 2012: Rs. 286.56 lakhs) for the year) has not been recognized in these accounts since the Company does not have convincing evidence that it would have sufficient taxable profits within the specified period in future to claim the above entitlements.

42. Trade payables aggregating Rs. 2,390.15 lakhs (Rs. 412.73 lakhs) consisting of numerous balances being unclaimed / unmoved since long (mostly more than three years) have been written back during the year as the management believes that these amounts are no longer payable.

43. During an earlier year, one of the clients of the Company had partially terminated a part of the contract with consequential damages. The Company has challenged the said termination in the Hon'ble Supreme Court. However, as a matter of prudence, the Company has revised the contract value and contract cost, as per the management's best estimate and the expected loss has been duly provided for in the accounts. The Company has also lodged counter claims on the client and it does not expect any further loss arising out of such termination.
44. SPML CISC JV, a joint venture entity (JV) has foreclosed its underlying project. The JV has receivable in its books towards claims against the client as awarded by the arbitrator. Although the said client has disputed the award, yet the Company is confident of recovery of its investment in the JV.

45. Segment information

The Company is engaged in construction activities in India. Consequently, it has one reportable business segment i.e. "Construction" and one reportable geographical segment i.e. "India".

46. Details in respect of Trading Activities

(Rs. In Lakhs)

Steel products	2012-13	2011-12
Cost of Sales (Steel)	7,827.29	Nil
Sales (Steel)	7,936.94	Nil

47. Pursuant to a settlement reached with the Insituform group, the Company has exited during the year from the Insituform Joint Venture together with a commitment to sell its shares in the associate Company, namely, Insituform Pipeline Rehabilitation Private Limited (IPRPL) at a nominal value and remission of receivables from Insituform JV. As a result, the shares of IPRPL have been sold by the Company to Insituform group for Rs. 0.01 lakhs resulting into a loss of Rs. 1,098.67 lakhs and also the receivables of Rs. 1,173.46 lakhs from Insituform group have been written off in the accounts.
48. Arbitration claims of Rs. 6,624.71 lakhs awarded in two cases in favor of the Company (including Rs. 3,596.41 lakhs awarded in an earlier year) have been recognized as income in these accounts, as the management feels that these awards have reached their finality, and it is confident to recover these arbitration claims in full.
49. Trade receivables aggregating Rs. 2,601.13 lakhs (Rs. 3,562.48 lakhs) are under arbitration proceedings. The management is confident that based on the facts of the respective cases; there is no uncertainty as regards their realization.
50. Materials at site includes stock of trading goods aggregating Rs. 451 lakhs (Rs.Nil)
51. The Company has entered into certain transactions aggregating Rs. 35.55 lakhs during the year requiring Central Government prior approval under Section 297 of the Companies Act, 1956. The Company is in the process of filing necessary applications for obtaining the said approval.
52. Figures in bracket represent the previous year numbers and have been regrouped / rearranged wherever considered necessary

Independent Auditors' Report

To

Board of Directors

SPML Infra Limited

1. Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of SPML Infra Limited ("the Company") and its subsidiaries (together referred to as "Group"), which comprise the Consolidated Balance Sheet as at March 31, 2013, and the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

2. Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

3. Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Group's preparation and presentation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

4. Basis for qualified opinion

(a) Attention is drawn to Note No. 38 in respect of a contract partially terminated by the client, the matters relating to settlement of claims, counter claims and consequential damage whereof are presently sub-judice. Accordingly, we are unable to comment about the impact, if any, of the aforesaid termination on the related contract value, contract cost and unbilled revenue and its consequential impact on the profit for the year and the reserves and surplus of the Group as at the Balance Sheet date

(b) The audited financial statements in respect of certain associates as detailed in Note No. 1(i)(I), wherein the carrying value of the Group's investment is Rs. 10,360.88 lakhs as at March 31, 2013, after accounting for the Group's share of net profit after tax of Rs. 493.91 lakhs for the year, have not been received and these have been incorporated in the consolidated financial statements on the basis of management certified unaudited financial statements produced to us. Accordingly we are unable to comment on the impact, if any, had those financial statements been subjected to audit.

(c) The audited financial statements of a subsidiary and certain joint ventures as detailed in Note No. 1(i)(I) to the consolidated financial statements which reflect total assets, total revenue and net cash outflows of Rs. 12,813.07 lakhs, Rs. 478.25 and Rs. 6.18 lakhs respectively, have not been received and these have been incorporated in the consolidated financial statement on the basis of management certified unaudited financial statements produced to us. Accordingly we are unable to comment on the impact, if any, had those financial statements been subjected to audit.

The audit report for the year ended March 31, 2012 was also modified for the above matters.

5. Qualified Opinion

Except for the possible effects of the matters stated in paragraphs 4 (a), 4(b) and 4(c) above, in our opinion and to the best of our information and according to the explanations given to us, the consolidated financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Consolidated Balance Sheet, of the state of affairs of the Group as at March 31, 2013;
- (b) in the case of the Consolidated Statement of Profit and Loss, of the profit of the Group for the year ended on that date; and
- (c) in the case of the Consolidated Cash Flow Statement, of the cash flows of the Group for the year ended on that date.

6. Emphasis of Matter

Attention is drawn to following Notes to the financial statements:

- (a) Note No.42 regarding the arbitration claims of Rs.6,624.71 lakhs (including Rs.3,596.41 lakhs awarded in an earlier year) having been recognised in the books as income during the year as the management believes that these awards have reached their finality and it is confident to recover these arbitration claims in full, which we have relied upon.
- (b) Note No.51 regarding the delay in implementation of the Port project in an associate wherein the Group's investment stands at Rs.466.81 lakhs as at the balance sheet date. All direct and incidental expenses related to the project have been accounted for as Capital Work In Progress since the management feels that the project status will be maintained as it is during the year and appropriate decision with regard to the write off, if any, will be taken in the subsequent financial years.

Our opinion is not qualified in respect of the above matters.

7. Other matters

- (a) The financial statements of subsidiaries and joint ventures, which reflect total assets of Rs. 48,238.16 lakhs as at March 31, 2013 and total revenue of Rs. 25,812.27 lakhs and net cash flows (outflow) of Rs. 1,462.22 lakhs for the year then ended, have been audited by one of the joint auditors and other auditors, whose reports have been furnished to us, and our opinion, in so far as it relates to the amounts included in respect of these subsidiaries and joint ventures, is based solely on these reports.
- (b) The financial statements of overseas subsidiaries which reflect total assets of Rs. 17,602.28 lakhs as on March 31, 2013 and total revenue of Rs. 18,275.66 lakhs and net cash flow (cash outflow) of Rs. 812.61 Lakhs for the year ended on that date and the financial statements of associates wherein the carrying value of Group's investment stands at Rs. 10,360.68 lakhs after accounting for the share of net profit after tax of Rs. 493.97 lakhs for the year ended on that date, as more fully disclosed vide Note No. 1(i)(c) to the consolidated financial statements, have been prepared under the applicable local reporting GAAP and audited by auditors in their respective countries and our opinion, in so far it relates to amounts included in respect of these subsidiaries / associates, is based solely on the reports of the other auditors.

Notes to the consolidated financial statements as at and for the year ended 31st March 2013

Significant Accounting Policies and Notes to Accounts

1. SIGNIFICANT ACCOUNTING POLICIES

(i) Principles of Consolidation

The Consolidated Financial Statements which relate to SPML Infra Limited, (the “Company”) and its Subsidiaries (together referred to as the “Group”), have been prepared in accordance with the applicable Accounting Standards notified by the Companies (Accounting Standards) Rules, 2006 (as amended) on the following basis:

- (a) The financial statements of the Company and its subsidiaries have been consolidated, in terms of Accounting Standard (AS) 21 ‘Consolidated Financial Statements’, on a line-by-line basis by adding together the book value of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances, intra-group transactions and any unrealized profits/losses. The excess/shortfall of cost to the Company of its investments in the Subsidiary Companies over the book value of net assets therein, as on the date of investment is recognized in the financial statements as Goodwill/Capital Reserve as the case may be. Goodwill arising on consolidation is tested for impairment annually.

The subsidiary companies considered in these consolidated financial statements are as follows:

1). Subsidiaries

Name of the Company	Country of Incorporation	Proportion of Ownership Interest	
		31st March, 2013	31st March, 2012

Subsidiaries of Delhi Waste Management Limited: SJA Developers Private Limited Synergy Promoters Private Limited	India India	70.94% 67.01%	* *

* No previous year's information given since these Companies became Subsidiaries during the current year.

(b) Minority interest in the net assets of consolidated subsidiaries consists of:

- 1) The amount of equity attributable to minority at the date on which investment in a subsidiary is made.
- 2) The minority's share of movements in equity since the date the parent subsidiary relationship came into existence.

Minorities' interest in the net profit/loss of subsidiaries consolidated during the year has been identified and adjusted against the income in order to arrive at the net income attributable to the shareholders of the Company. Their share of net assets has been identified and presented in the Consolidated Balance Sheet separately.

(c) The financial statements of certain subsidiaries and associates have been prepared in accordance with the following GAAP:

Name of the Company	GAAP
Subsidiaries SPM Holdings Pte Ltd. PT. Sanmati Natural Resources	Singapore Financial Reporting Standards Indonesian Financial Accounting Standards
Associates PT Vardhaman Mining Services PT Vardhaman Logistics Rabaan (S) Pte. Ltd. PT Bina Insan Sukses Mandiri	Indonesian Financial Accounting Standards Indonesian Financial Accounting Standards Singapore Financial Reporting Standards Indonesian Financial Accounting Standards

The impact on account of any differences due to adoption of different accounting standards as stated above, in comparison to the Generally Accepted Accounting Principles in India (IGAAP) is not material.

- (d) In translating the financial statements of the non-integral foreign subsidiaries for incorporation in the consolidated financial statements, the assets and liabilities, both monetary and non-monetary are translated at the closing exchange rate, while income and expenses are translated at average exchange rate when it approximates the actual exchange rate applicable at the date of transaction and all resulting exchange differences are accumulated in Foreign Currency Translation Reserve as disclosed vide note no. 3.

Exchange differences arising on a monetary item that, in substance, form part of the company's net investment in a non-integral foreign operation is accumulated in a foreign currency translation reserve in the financial statements until the disposal of the net investment, at which time they are recognised as income or as expenses.

- (e) The effect of acquisition and disposal of subsidiaries on the financial position and results as included in the consolidated financial statements for the year ended 31st March, 2013 are given below:

- (f) Investments in Associates have been accounted for using the equity method in accordance with Accounting Standard (AS) 23 'Accounting for Investments in Associates in Consolidated Financial Statements' notified under the Companies (Accounting Standards) Rules, 2006 (as amended).
- (g) The Group accounts for its share in the change in the net assets of the associates, post acquisition, after eliminating unrealised profit and losses resulting from the transactions between the Group and its associates to the extent of its share, through its Consolidated Statement of Profit & Loss to the extent such change is attributable to the associate's Statement of Profit & Loss and the same is added to/deducted from the cost of investments in the respective associate companies. However, the share of losses is accounted for only to the extent of the cost of investment. Subsequent profits of such Associates are not accounted for unless the accumulated losses (not accounted for by the Group) are recouped. The difference between the cost of investment in the associate and the share of net assets at the time of acquisition of shares in associate is identified in the financial statements as Goodwill or Capital Reserve, as the case may be, and the same remains included/adjusted, as the case may be in the carrying values of investments in associates and is disclosed separately. Where the Associates have subsidiaries, the consolidated financial statements of the Associates have been used for the equity accounting.
- (h) The associate companies considered in the consolidated financial statements are as follows:

Name of the Company	Country of Incorporation	Proportion of Ownership Interest	
		31st March, 2013	31st March, 2012

KBL – SPML (JV)	India	50%**	50%
Malviya Nagar Water Services Private Limited	India	46%	*
MVV Water Utility Private Limited (through SPML Utilities Limited)	India	50%	*

* No Previous year information given since these companies became Joint Ventures during the year.

** Represents joint ventures where the Company, through a supplementary agreement with the JV partners, has altered its risk and reward from 50% and 33% to a specific amount of the contract representing 50% and 99% respectively of the total contract value and for which "back to back" works contract has been awarded to the Company by the JV entities. However, joint venture partners are, jointly and severally, liable to clients for any claims in these projects as per the original terms of the contract.

(k) The consolidated financial statements have been prepared using uniform accounting policies for like transactions and are presented, to the extent possible, in the same manner as the Company's separate financial statements.

(l) The Consolidated Financial Statements are based on the audited Financial Statements of subsidiaries, associates and joint ventures except in the following cases where figures have been incorporated based on unaudited financial statements certified by the management:

Step Down Subsidiary	PT Sanmati Natural Resources
Associates	Hydro Comp Enterprises India P Ltd PT Bina Insan Sukses Mandiri PT Vardhaman Logistics PT Vardhaman Mining Services Doon Valley Waste Management Pvt Ltd. Rabaan (S) Pte. Ltd. Aurangabad Jal Supply Solutions Pvt Ltd.
Joint Ventures	Om Metal Consortium MVV Water Utility Private Limited Malviya Nagar Water Services Private Limited Siddharth – Mahavir – SPML JV SPML – Insituform KBL – SPML (JV) SPML – HCIL

(m) As per Accounting Standard 21 – Consolidated Financial Statements notified by Companies (Accounting Standards) Rules, 2006 (as amended), only the notes involving items which are material need to be disclosed. Materiality for this purpose is assessed in relation to the information contained in the consolidated financial statements. Further, additional statutory information disclosed in separate financial statements of the subsidiary and/or the parent having no bearing on the true and fair view of the consolidated financial statements is not disclosed in the consolidated financial statements.

II. Basis of preparation

The financial statements have been prepared to comply in all material respects with the accounting standards notified by the Companies Accounting Standards Rules, 2006 (as amended) and the relevant provisions of the Companies Act, 1956. The financial statements have been prepared under the historical cost convention on an accrual basis except in respect of tangible fixed assets for which revaluation is carried out and for insurance claims which on the ground of prudence or uncertainty in realization, are accounted for on acceptance / actual receipt basis. The accounting policies applied by the Group are consistent with those used in the previous year.

iii. Use of estimates

The preparation of financial statements in conformity with the generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon the management's best knowledge of current events and actions, actual results could differ from these estimates.

iv. Tangible Fixed Assets

(a) Fixed assets are stated at cost of acquisition inclusive of duties (net of CENVAT / VAT), taxes, incidental expenses, erection/commissioning expenses etc. upto the date the asset is ready to be put to use.

Cost comprises the purchase price and any attributable cost of bringing the asset to its working condition for its intended use. In case of revaluation of fixed assets, the original cost as written up by the valuer is considered in the accounts and the differential amount is transferred to revaluation reserve.

Capital Work in Progress comprises of all directly attributable costs of bringing the assets to their working condition for their intended use and all indirect and incidental expenses.

Expenditure incurred during construction period is capitalised as part of the project cost to the extent to which the expenditure is indirectly related to construction or is incidental thereto. Other indirect expenditure incurred during the construction period which is not related to the construction activity nor is incidental thereto is charged to the Consolidated Statement of Profit & Loss. Income earned during the construction period is deducted from the indirect expenditure. The same will be allocated to the respective fixed assets on completion of construction/erection of the capital project/ fixed assets.

(b) Machinery spares which can be used only in connection with an item of fixed assets and whose use as per technical assessment is expected to be non-regular are capitalized and depreciated prospectively over the useful life of the respective assets.

Intangible assets

(c) Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

v. Depreciation / Amortisation

Depreciation on tangible fixed assets is provided on straight-line method at the rates and in the manner prescribed in Schedule XIV to the Companies Act, 1956 or at the rates determined based on useful life of the respective asset, as estimated by the management, which generally coincides with the life prescribed under schedule XIV, whichever is higher.

Depreciation on the following assets, in respect of Delhi Waste Management Limited, a subsidiary company, is provided using Straight Line Method over a period of nine years being the concession period as per the Concession agreement with the Principal:

- Building
- Plant and Machinery

In case of impairment, if any, depreciation is provided on the revised carrying amount of the assets over their remaining useful life.

Assets costing Rs.5000/- or less are depreciated @100% in the year of purchase.

Intangible assets (specialised software) are amortised using the straight line method over a period of five years.

Goodwill arising on consolidation is stated at cost less impairment.

vi. Borrowing costs

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

vii. Impairment

The carrying amount of assets is reviewed at each balance sheet date to determine if there is any indication of impairment thereof based on external/internal factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount, which represents the greater of the net selling price of assets and their 'value in use'. The estimated future cash flows considered for determining the value in use, are discounted to their present value using a pre tax discount rate that reflects current market assessment of the time value of money and the risks specific to the asset

viii. Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets, are classified as operating leases. Operating lease payments are recognized as an expense in the Consolidated Statement of Profit and Loss on straight line basis over the lease term.

ix. Investments

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on individual investment basis. Long term investments are considered at cost, unless there is an "other than temporary" decline in value thereof, in which case, adequate provision for diminution is made in the accounts.

x. Government Grants

Grants and subsidies from the government are recognized when there is reasonable assurance that the grant / subsidy will be received and all attaching conditions will be complied with. When the grant or subsidy relates to an expense item, it is recognized as income over the periods necessary to match them on a systematic basis to the costs, which it is intended to compensate. Grants received against fixed assets are netted off from the cost of the related asset and the depreciation is provided on the net carrying value of those assets.

xi. Inventories

Materials, components and stores & spares to be used in contracts are valued at cost which is ascertained on weighted average basis.

Stock of trading goods is valued at cost which is arrived at using First in First Out (FIFO) Method.

Cost of work yet to be certified/billed as it pertains to contract cost that relate to future activity of the contract, is recognized as contract work in progress provided it is probable that the same will be recovered. Work-in-progress is valued at cost. However, in case of contracts where losses are likely to occur, the stock is considered at net realisable value. Costs include materials, labour and appropriate portion of construction overheads.

xii. Revenue recognition

(a) Construction contracts

Revenue on contracts is recognized on "percentage completion method" based on the stage of completion of the contract. The stage of completion is determined as a proportion that contract costs incurred for work performed upto the reporting date bear to the estimated total costs. When it is probable that the total contract cost will exceed the total contract revenue, the expected loss is recognized immediately. For this purpose, total contract costs are ascertained on the basis of actual costs incurred and costs to be incurred for completion of contracts in progress, which is arrived at by the management based on current technical data, forecasts and estimate of expenditure to be incurred in future including contingencies,

which being technical matters have been relied upon by the auditors. Revisions in projected profit or loss arising from change in the estimates are reflected in each accounting period which, however, cannot be disclosed separately in the financial statements, as the effect thereof cannot be accurately determined.

Overhead expenses representing indirect costs that cannot be directly aligned with the jobs are allocated over the various contracts on a pro-rata basis.

Disputed claims towards extra work, damages etc. are accounted for on settlement of the arbitration proceedings / legal cases or when there is no significant uncertainties as regards the collection of the arbitration award ruled in favor of the Company by the arbitrator.

The Company collects Value Added Tax (VAT), Sales tax and Service tax on behalf of the government and therefore, these are not economic benefits flowing to the Company and have been excluded from revenue.

(b) Sale of Goods

Revenue from sale of goods is recognized on passage of title thereof to the customers, which generally coincides with delivery. Sales are net of returns, claims, trade discounts etc.

(c) Sale of Electricity

Income from power generation is recognized as per the invoices raised on the customers based on the Power Purchase Agreements approved by the regulatory authority.

Income from power trading is based on the agreements entered into with the buyers as well as the quantum of energy traded, as certified by the Approved Authority.

(d) Sale of Carbon Credits

Revenue is recognized when carbon credit units are sold to third parties.

(e) Income from Services

Revenues from operation and maintenance contracts and from the waste management contracts are recognized on rendering of services as per the terms of contract.

(f) Interest

Interest is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

(g) Dividends

Revenue is recognized when the shareholders' right to receive payment is established by the balance sheet date.

xiii. Liquidated damages

No provision is made for liquidated damages deducted by the customers, wherever these have been refuted by the Group and it expects to settle them without any loss. Pending settlement of these claims, the relative trade receivables are shown in the accounts as fully recoverable and the corresponding amounts are reflected as contingent liability in terms of the provisions contained in Accounting Standard – 29.

xiv. Foreign currency translations

Initial Recognition

Foreign currency transactions are recorded in the reporting currency by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange Differences

Exchange differences arising on the settlement or reporting of monetary items at rates different from those at which they were initially recorded during the period or reported in previous financial statements and / or an conversion of monetary items, are recognized as income or expenses in the year in which they arise.

Foreign Operations

Financial statements of overseas non-integral operations are translated as under:

- (i) Assets and Liabilities at the rate prevailing at the end of the year.
- (ii) Revenues and expenses at yearly average exchange rates prevailing during the year, when it approximates the actual exchange rate applicable at the date of transaction.

Exchange differences arising on translation of non-integral foreign operations are accumulated in the Foreign Currency Translation Reserve until the disposal of such operations.

xv. Retirement and other employee benefits

Employee benefits in the form of Provident Fund being a defined contribution scheme are charged to the Consolidated Statement of Profit and Loss in the year when the contributions to the funds are due. There are no obligations other than the contributions payable to the fund.

Gratuity liability being a defined benefit obligation is provided for based on actuarial valuation made at the end of each financial year using the projected unit credit method.

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date. Such short-term compensated absences are provided for in the Consolidated Statement of Profit and Loss based on estimates.

Long term compensated absences are provided for based on actuarial valuation made at the end of each financial year, which is done as per the projected unit credit method.

Actuarial gain and losses are recognized immediately in the Consolidated Statement of Profit & Loss as income or expenses.

xvi. Income taxes

Tax expense comprises of current (net of Minimum Alternate Tax (MAT) credit entitlement) and deferred tax.

Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961. Deferred income tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by the same governing taxation laws. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Group has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each balance sheet date, the Group re-assesses unrecognized deferred tax assets. It recognises unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realised.

MAT credit is recognized as an asset only when and to the extent there is convincing evidence that the Group will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance Note issued by the Institute of Chartered Accountants of

India, the said asset is created by way of a credit to the Consolidated Statement of Profit and Loss and shown as MAT Credit Entitlement. The Group reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Group will pay normal income tax during the specified period.

xvii. Segment Reporting

Identification of Segments

The Group has identified that its business segments are the primary segments. The Group's businesses are organized and managed separately according to the nature of activity, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Group operate.

Allocation of common costs

Common allocable costs are allocated to each segment on case to case basis applying the ratio, appropriate to each relevant case. Revenue and expenses, which relate to the enterprise as a whole and are not allocable to segment on a reasonable basis, have been included under the head "Unallocated - Common".

Segment Policies

The Group prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Group as a whole.

xviii. Earnings Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

xix. Provisions

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

Provisions made in terms of Accounting Standard 29 are not discounted to their present value and are determined based on management estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates.

xx. Cash and Cash Equivalents

Cash and cash equivalents as indicated in the Cash Flow Statement comprise of cash at bank and in hand and short term investments with an original maturity of three months or less.

xxi. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Group does not recognize a contingent liability but discloses its existence in the financial statements.

xxii. Measurement of EBITDA (Earnings before interest, tax, depreciation and amortization)

As permitted by the Guidance Note on the Revised Schedule VI to the Companies Act, 1956, the Group has elected to present EBITDA as a separate line item on the face of the Consolidated Statement of profit and loss. The Group measures EBITDA on the basis of profit from continuing operations. In its measurement, the Group does not include depreciation and amortization expense, finance costs and tax expense.

Mobilisation Advances against Project.

32. Based on the information/documents available with the Group, information as per the requirement of Section 22 of The Micro, Small and Medium Enterprises Development Act, 2006 are as under:

(Rs. In Lakhs)

	2012-13	2011-12
(i) Principal amount remaining unpaid to suppliers at the end of accounting year	24.72	25.91
(ii) Interest due on above	2.01	0.65
Total of (i) & (ii)	26.73	26.56
(iii) Amount of interest paid by the Group to the suppliers	Nil	Nil
(iv) Amounts paid to the suppliers beyond the respective due date	10.16	9.86
(v) Amount of interest due and payable for the period of delay in payments (which have been paid beyond the due date during the year) but without adding the interest specified under the Act.	0.80	0.70
(vi) Amount of interest accrued and remaining unpaid at the end of accounting year	52.49	49.68
(vii) The amount of further interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprise for the purpose of disallowance as a deductible expenditure under section 23 of the Micro Small and Medium Enterprise Development Act, 2006	2.81	1.35

33. Construction contracts disclosure:

Information relating to Construction contracts as per Accounting Standard 7 (Revised) notified by the Companies Accounting Standards Rules, 2006 (as amended) are given below:

(Rs. In Lakhs)

Particulars	2012-13	2011-12
Contract income recognized as revenue during the year	92,885.5	88,508.06
Aggregate amount of costs incurred and recognized profits (less recognized losses) till date for contracts in progress	408,368.44	420,151.92
Advances received (unadjusted) for contracts in progress	10,997.87	15,583.51
Retention amount for contracts in progress	11,307.79	11,150.69
Gross amount due from customers for contract work for contracts in progress	44,011.50	47,221.23
Gross amount due to customers for contract work for contracts in progress	600.78	1,739.14

34. (a) Gratuity plans (AS 15 Revised)

The Group has a defined benefit gratuity plan. Every employee who has completed five years or more of service is entitled to Gratuity on terms not less favorable than the provisions of The Payment of Gratuity Act, 1972. The scheme is unfunded.

The following tables' summaries the components of net benefit expenses recognized in the Consolidated statement of Profit & Loss and amounts recognized in the balance sheet.

(Rs. In Lakhs)

	2012-13	2011-12
(i) Net employee benefit expense (recognized in Employee Cost)		
Current service cost	52.26	64.06
Interest cost on benefit obligation	33.78	32.47
Net Actuarial gains recognized in the year	49.86	68.75
Total employer expense recognized in the Consolidated Statement of Profit and Loss*	36.18	27.78
(ii) Actual return on plan assets	Not Applicable	Not Applicable
(iii) Benefit Asset/(Liability)		
Defined benefit obligation	(402.15)	(411.13)
Benefit Asset/(Liability)	(402.15)	(411.13)
(iv) Movement in benefit liability		
Opening defined benefit obligation	411.13	396.16
Interest cost	33.78	32.47
Current service cost	52.26	64.06
Benefit paid	(45.16)	(12.81)
Actuarial gains on obligation	49.86	68.75
Closing benefit obligation	402.15	411.13
(v) Movement in fair value of plan assets	Not Applicable	Not Applicable

*Includes Rs. 8.43 lakhs (Rs.8.10 lakhs) charged to Capital Work in Progress during the year.

The Principal actuarial assumptions are as follows:

Discount rate	8.00%	8.00%
Withdrawal Rate	Varying between 8% per annum and 1% per annum depending on duration and age of employees	Varying between 2% per annum and 1% per annum depending on duration and age of employees
Expected rate of return on Plan assets	Not Applicable	Not Applicable
Expected Average remaining working lives of employees (years)	21.13	22.58
Experience Adjustments on Plan Liabilities	Not Available*	

* The management has relied on the overall actuarial valuation conducted by the actuary. However, experience adjustments on plan liabilities are not readily available and hence not disclosed.

(b) Amount incurred as expense for defined contribution plans

(Rs. In Lakhs)

	2012-13	2011-12
Contribution to Provident Fund	240.23	296.77

Notes:

a. The estimate of future salary increase considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

b. The gratuity liabilities are unfunded. Accordingly, information regarding planned assets are not applicable.

c. Amounts for the current and previous periods are as follows:

(Rs. In Lakhs)

Description	As at 31st March, 2013	As at 31st March, 2012	As at 31st March, 2011	As at 31st March, 2010	As at 31st March, 2009
Defined Benefit Obligation	402.15	411.13	396.16	323.80	264.08
Assets/(Liability)	(402.15)	(411.13)	(396.16)	(323.80)	(264.08)

35. The Company has claimed income tax benefits of Rs. 27,894.44 lakhs (Rs. 26,191.83 lakhs upto March 31, 2012) approx. having tax impact of Rs. 8,034.45 lakhs (March 31, 2012: Rs. 7,482.04 lakhs) including Rs. 552.41 lakhs (March 31, 2012 : Rs 574.40 lakhs) for the year, approx. under section 80IA of the Income Tax Act, 1961, on construction contracts for certain infrastructure projects executed on behalf of various departments / agencies of different State Governments during the financial years 2003-04 onwards. In the tax assessments for the financial years upto 2008-09, the above claims were initially disallowed by the Tax Authorities, but the appellate authorities during the year have allowed the aforesaid claims for the years 2005-2006 to 2008-2009. Accordingly, the Company feels that all such claims under Section 80IA would be allowed to the Company for subsequent years also. The Company's writ with the Honorable Calcutta High Court, challenging the validity of the retrospective amendment in Section 80IA, which, as per legal opinion obtained by the Company, is ultra vires to the main section of the Income Tax Act, 1961, however, remains pending disposal.

36. Minimum Alternate Tax entitlement aggregating Rs. 2,322.99 lakhs (Rs. 2,051.67 lakhs upto March 31, 2012) (including Rs. 271.32 lakhs (Rs. 286.56 lakhs) for the year) has not been recognized in these accounts since the Company does not have convincing evidence that it would have sufficient taxable profits within the specified period in future to claim the above entitlements.

37. Trade payables aggregating Rs. 2,405.35 lakhs (Rs.436.05 lakhs) consisting of numerous balances being unclaimed / unmoved since long (mostly more than three years) have been written back during the year.

38. During an earlier year, one of the client of the Company had partially terminated a part of the contract with consequential damages. The Company has challenged the said termination in the Hon'ble Supreme Court. However, as a matter of prudence, the Company has revised the contract value and contract cost, as per the management's best estimate and the expected loss has been duly provided for in the accounts. The Company has also lodged counter claims on the client and it does not expect any further loss arising out of such termination.
39. SPML CISC JV, a joint venture entity (JV) has foreclosed its underlying project. The JV has receivable in its books towards claims against the client as awarded by the arbitrator. Although the said client has disputed the award, yet the Company is confident of recovery of its investment in the JV.

40. Details in respect of Trading Activities

Cost of Sales	7,827.29	–	17,122.68	7,647.73
Sales	7,936.94	–	18,353.51	8,581.25

41. Pursuant to a settlement reached with the Insituform group, the Company has exited during the year from the Insituform Joint Venture together with a commitment to sell its shares in the associate Company, namely, Insituform Pipeline Rehabilitation Private Limited (IPRPL) at a nominal value and remission of receivables from Insituform JV. As a result, the shares of IPRPL have been sold by the Company to Insituform group for Rs. 0.01 lakhs resulting into a loss of Rs. 909.75 lakhs and also the receivables of Rs. 1173.46 lakhs from Insituform group have been written off in the accounts.
42. Arbitration claims of Rs. 6,624.71 lakhs awarded in two cases in favor of the Company (including Rs. 3,596.41 awarded in an earlier year) have been recognized as income in these accounts, as the management feels that these awards have reached their finality, and is confident to recover these arbitration claims in full.
43. Trade receivables aggregating Rs.2,601.13 lakhs (Rs.3,562.48 lakhs) of the Company are under arbitration proceedings. The management is confident that based on the facts of the respective cases; there is no uncertainty as regards their realization.
44. Materials at site includes stock of trading materials of Rs.451 lakhs (Rs.Nil)
45. The Company has entered into certain transactions aggregating Rs.35.55 lakhs during the year requiring Central Government prior approval under Section 297 of the Companies Act, 1956. The Company is in the process of filing necessary applications for obtaining the said approval.
46. Luni Power Company (P) Limited, a subsidiary company, has written off part of its capital expenditure aggregating to Rs. 613 lakhs (Rs. 570.09 lakhs included in pre-operative expenses), as the management believes that no benefits would accrue from these expenditures due to delay in completion of the project.
47. 13,122,000 equity shares of Subhash Kabini Power Corporation Limited (SKPCL), 510,022 equity shares of Bhilwara Jaipur Toll Road Private Limited (BJTPL), two subsidiaries of the Company, are pledged with respective banks against loans obtained by these companies. The Company has also given an undertaking to the bank not to sell its shareholding in the above companies till the full repayment of the loan by these subsidiaries.
48. During the year, certain subsidiaries have capitalized the following expenses of revenue nature to the cost of tangible asset/ Capital work in progress. Consequently, expenses disclosed under the respective notes are net of amounts capitalized by the subsidiaries.

Buyer's Credit	EURO	Nil	Nil	8.93	617.51

50. In the year 2011-12, the Company had renounced its risk and reward in a joint venture through a supplementary agreement in favour of the joint venture partner for a specified consideration of Rs. 267.54 lakhs and had accounted it upfront as Company's share of profit in the joint venture.

51. A Concession Agreement (CA) was signed between the Government of Pondicherry (GOP), SPML Infra Limited (SPML) and Om Metals Ltd (OML) on 21.01.2006 for the development of Pondicherry port on BOT basis. Immediately on 4.2.2006, SPML and OML (with GOP as a confirming Party) assigned the said CA in favour of Pondicherry Port Limited (PPL), a step down associate of the Company. The Group investment as on date in respect of the said associate is Rs. 466.81 lakhs

Earlier, after the above said assignment, two public interest litigations (PIL) which were filed against the Government of Pondicherry (GoP) and PPL before the Hon'ble High Court of Madras, Chennai were dismissed by the Hon'ble Court in August

2006. Subsequent appeals that were filed before the Hon'ble Supreme Court were also quashed on 14/05/2009. According to the verdict of the Hon'ble Supreme Court, Pondicherry port, being a minor port, is a matter to be dealt by the GoP and therefore, approval of Government of India (GoI) is not required at any stage of its development. Further, the Ministry of Home Affairs (MHA), GoI had approached the Hon'ble Supreme Court seeking a review of its final judgement by which the apex court had upheld the Union Territory's administration action to award the work of development of the port to the private developer. The Hon'ble Supreme Court admitted the review petition and the matter was disposed off in favour of PPL on May 4, 2010. Subsequently, the MHA has sought a further review of the judgement, which was also dismissed by the Hon'ble Supreme Court in November 12, 2010. Thus all legal hurdles faced by the Project were cleared by that time.

But, from the side of GOP during the last 6 years, there have been hardly any effective steps taken to facilitate the implementation of the project. The lack of commitment of GOP combined with red-tapism and constant backtracking from the terms of the CA as well as decisions taken in these 6 years have ensured that not even a brick has been laid on the project as of date.

Even after years of effort, PPL is still at the preliminary stage of obtaining approvals and licenses, whereas other port projects, including nearly a half a dozen in Tamil Nadu have started operations in the meanwhile. The repeated breaches of CA committed by the GOP have rendered all the efforts of PPL totally redundant. The Conditions Precedent as well as Covenants held out by the GOP have not been fulfilled till date. As such, PPL was constrained to issue a notice vide letter No. PPL/GOP/2012/1698 dated 16.04.2012 (hereinafter referred to as 'Notice') conveying the intention of PPL to terminate the CA under its Clauses 16.2, 16.3.1 and 16.3.3 due to "GOP Events of Default" and claiming compensation for the delay occurred on the Project implementation under various heads of accounts.

After taking continuous efforts by PPL with GOP and after the issue of the above 'Notice', the GoP sent on 7.5.12, the EIA and RA reports furnished by M/s National Environmental Engineering Research Institute (NEERI) which is required for getting the Environment Clearance along with Revised DPR duly approved by the GOP which is still awaited by PPL to proceed. PPL replied on 29.5.12 that the GOP had lost interest in furtherance of the Project by sending the said report after the issue of the termination Notice by PPL and further sought the clear direction from GOP whether it is interested in implementing the CA or the project should be treated as terminated.

In response to the above 'Notice', GOP effectively repudiated the charges with its letter No. 2002/EE/Port/2012-13/435 dt, 8.10.12 by stating that GOP would be entering into a CA with PPL in accordance with the verdict of the Hon'ble Supreme Court after the Project is cleared by the Ministry of Environment and Forest (MoEF) and the compensation claimed by PPL was unwarranted thereby giving rise to disputes.

With a view to allow one more opportunity for resolution of all disputes, PPL invoked the provisions of Clause 20.2 of the CA in order to amicably settle the disputes between the parties. For purposes of this settlement, PPL nominated Mr. Anil Sethi and / or Mr. C. P. Kothari, Directors of PPL to be assisted by Mr. Sharad Sogani and the CEO in the proceedings. GOP in turn nominated the Secretary (Ports) and / or Joint Secretary (Ports) to be assisted by the Director of Ports and the Executive Engineer (Ports).

As proposed finally by GOP, a meeting was held on 18.02.2013 to resolve the disputes between PPL and GOP on the basis of the notices issued by PPL under Clauses 16.3.5, 18 and 20 of the CA. In the said meeting, PPL had put forth a number of issues of concern and after the meeting, PPL was advised to send a brief note of the said issues. Accordingly and absolutely on 22.2.13 without prejudice to the 'Notice' of PPL dated 16.04.2012, PPL addressed the following major points around which the discussions were held with a view to allow an opportunity to GOP to act upon immediately for resolution of disputes:

1. Existing Port Operations
2. Transport Infrastructure Linkages
3. Environmental Clearance
4. Concession Agreement

PPL is now looking up with its hopes that the GOP would immediately take necessary action based on the above and awaits the response of GOP.

Considering the above facts and status of the project of PPL, the expenses incidental and directly related to project has been continued to be accounted in the Capital Work in progress during the year. The board is of the opinion the project status will be maintained as it is during the year and appropriate decision with regard to write off will be taken in the subsequent financial years. Accordingly the Statement of Profit and Loss of PPL is drawn up for the year and the expense which is not related to the Project nor is incidental thereto is charged to its Statement of Profit and Loss.

52. Discontinuing Operations

SPML Industries Limited, a subsidiary company, in the business of manufacturing of pipe, included under 'Others' Segment in Segment Reporting has been considered as discontinuing operations.

The following statement shows the revenue and expenses of discontinuing operations:

(Rs. In Lakhs)

Particulars	31st March, 2013	31st March, 2012
Income		
Revenue from operations	17.25	39.42
Other income	33.38	19.03
