SPML Infra Ltd today said that the company has received two orders worth Rs 720 crore from the Delhi Jal Board, New Delhi.

One of the orders secured by the company includes a pilot project worth Rs 519.07 crore to improve efficiency of water distribution network in Malviya Nagar UGR command area, in consortium with Operation and Maintenance for a period of 12 years.

The second order, which is worth Rs. 200.80 crore, would require SPML Infra to improve service level of water supply in Vasant Vihar as well as Mehrauli project areas, in consortium with Operation & Maintenance for 8 to 10 years, said the company in its filing to the Bombay Stock Exchange.
