

SPML Infra Receives Award

Infrastructure Excellence Award 2012 (Water & Sanitation)

SPML Infra Limited, one of India's leading infrastructure development companies, has received the prestigious Infrastructure Excellence Award 2012 (Water & Sanitation).

The award was presented by the Chief Guest Shri Kamal Nath, Hon'ble Union Minister of Urban Development in the presence of dignitaries at a glittering function in Delhi recently.

The Infrastructure Excellence Awards is instituted by CNBC TV 18 and being given as recognition of the achievements of those involved in creation of infrastructure and their contribution towards the economic development of India as the 'nation builders'.

The Awards are designed to showcase exceptional projects and recognize companies for their contribution in the field of infrastructure development.

This is the only Infrastructure Awards in the country to be given on the basis of excellence in execution of projects and its overall impact.

The awards committee (comprising of luminaries from Government, large

private sector players and Social organization) evaluates companies after detailed research and multi-stakeholder feedback around the project or company's track record, technical capability, innovation aspects, peer respect and ultimate contribution towards the nation building.

Upon receiving the award, Mr. Rishabh Sethi, Executive Director, SPML Infra stated that "SPML in so many ways contributed immensely to the water space and have witnessed a number of developments that have occurred in the sector at a time when the private sector was just born in this industry. These awards are a testimony to 32 years in this business with a conviction to reform India's urban infrastructure. We go to work everyday with the Company's motto in our minds, 'Engineering Life'. Today we all have a responsibility to the nation and its citizens to improve the quality of their lives."

This was yet another achievement of SPML after it had won KPMG Infrastructure Awards 2011 for the Most Admired Company in the Indian Water and Urban Infra Sector.

About SPML Infra Ltd

Established in 1981, SPML Infra Ltd. is a leading infrastructure development company with operational experience of managing and implementing over 400 projects across twenty seven states in India. The Company has three decades of multi-disciplinary experience in installing world class infrastructure for water treatment and transmission, power projects and civil infrastructure construction.
