allel pipeline project contract to Subhash Project Marketing Limited (SPML), which has further appointed Aurangabad City Water Utility Limited (ACWUL, a special purpose vehicle) for the implementation, repair and maintenance of the project on public-private-partnership (PPP) basis.

The 20-year contract between the AMC and the ACWUL was signed on September 22, 2011 and the project aims at meeting

water demand of the city in 2041.

Meanwhile, the AMC has decided to hand over the exiting water supply scheme to the private partner from January 1, 2013.

Through a release, executive engineer (water supply) underlined the need for sharing details on water supply management, service levels, responsibilities of the AMC and the contractor and commitment towards citizens.

The queries raised on the occasion will be answered, while the suggestions will be welcomed so as to implement the water supply scheme effectively and make it as a citizens-friendly project.
