New Delhi, India - SPML Infra Ltd, one of India's leading infrastructure development companies, has won two prestigious orders worth Rs 358.27 Cr. First order of Rs 324.91 Cr has come from PHED, Ajmer, Rajasthan for Nagaur Lift Project. The Scope of work involves construction of cluster water distribution network, pump houses, clear water reservoirs and allied works to be completed in three years. SPML will also be responsible for Operations & Maintenance for 10 years post the commissioning.

Mr Rishabh Sethi, executive director, SPML Infra commented, "Water and wastewater management are our core competencies and we intend to grow at a rapid pace in this segment in next few years. We have been developing infrastructure for drinking water supply, wastewater treatment and sewerage management in different states of India and excited to receive this order from Rajasthan. It is a testimony of our capabilities in executing water and waste management projects and the trust, client places in us. With proven domain expertise of over three decades, we are proud to be a preferred partner for utilities across the country."

SPML Infra has recently received the prestigious award, Infrastructure Excellence Award 2012 for Water & Sanitation from CNBC TV 18. This was yet another achievement of SPML after it had won KPMG Infrastructure Awards 2011 for the Most Admired Company in the Indian Water and Urban Infra Sector. **WWA**
