

SPML Infra wins new orders worth Rs. 596 crore

Apr 15, 2013

SPML Infra has won new orders worth Rs. 596 crore from Delhi Jal Board and PHED, Rajasthan. The combined orders received from PHED, Jaipur and Ajmer of Rs. 418 crore is for water supply schemes to more than 337 villages and their dhanies in the districts of Nagaur, Tonk and Sikar. "More than a million people of these villages will be benefitted with drinking water facility once these projects are completed," the company said. SPML will also be responsible for the operations and maintenance of these water infrastructures for a decade after the commissioning. The order from PHED Jaipur requires building of a 200 MLD water treatment plant with latest technology.

Rishabh Sethi, executive director, SPML Infra

Rishabh Sethi, executive director, SPML Infra, said, "Water management is our core competency and we intend to grow at a rapid pace in this segment. We are already developing infrastructure for drinking water supply in parts of Delhi and the new orders from Delhi Jal Board is a boost to our effort in improving the water supply to the residents of Delhi. We are also motivated to receive the new orders from PHED, Rajasthan. The Projects cover the entire gamut of drinking water system – treatment, pipeline, pumping stations, metering."

The two orders from Delhi Jal Board are worth R. 178 crore. First order of Rs. 151 crore is for supply, installation and 7-years maintenance of AMR/Non-AMR water meters in Delhi. The second order of Rs. 27 crore is for supply, installation and 4-year maintenance of bulk water meters with remote reading device capable of transmitting data of various sizes.
