New Delhi, Sep. 02, 2013, 11:30 AM

SPML Infra, infrastructure development firm has implemented over 400 projects in water supply and management, wastewater treatment and re-use, sewer-line rehabilitation and power development, transmission and distribution in India.

SPML Infra Ltd , has now bagged two new orders for rural electrification projects in Patna and Gaya districts under Rajiv Gandhi Grameen Vidyutikaran Yojana worth Rs 1,802.10 crore from South Bihar Power Distribution of Bihar and Public Health Engineering Department of Rajasthan,” the company said in a statement today.

It has also bagged order from Public Health Engineering Department of Kota, Ajmer and Bharatpur, for water supply schemes will benefit more than 445 villages in Jhalawar, Ajmer and Bharatpur districts.

Millions of people of these districts will be benefited with drinking water facility once these projects are completed. SPML will also be responsible for the operations and maintenance of these water infrastructure projects for a decade after the commissioning,” the company said.

According to SPML Infra Executive Director Rishabh Sethi in 2013-14, SPML received new orders worth Rs 2,886 crore till date and hope to add more in the coming months. SPML’s order book position has crossed Rs 6,000 crore mark that gives us the revenue visibility for next three years.
