

SPML INFRA BAGS 1,802 CR ORDERS

[News](#): Thursday, 17 October 2013

Infrastructure development firm, SPML Infra Limited is said to have won new orders worth approximately Rs 1,802 crore from Bihar and Rajasthan for various works, including rural electrification and water supply. It won these orders from South Bihar Power Distribution of Bihar and Public Health Engineering Department of Rajasthan, according to the company. The two orders received from South Bihar Power Distribution of Bihar are for rural electrification projects in Patna and Gaya districts under the Rajiv Gandhi Grameen Vidyutikaran Yojana. The three orders bagged from Public Health Engineering Department of Kota, Ajmer and Bharatpur, for water supply schemes are expected to benefit more than 445 villages in Jhalawar, Ajmer and Bharatpur districts.

According to SPML Infra Executive Director, Mr Rishabh Sethi, “Millions of people of these districts will be benefited with drinking water facility once these projects are completed. SPML will also be responsible for the operations and maintenance of these water infrastructure projects for a decade after the commissioning.” He reportedly said, “In 2013-14, we have received new orders worth Rs 2,886 crore till date and hope to add more in the coming months. We are very happy that with these orders, SPML’s order book position has crossed Rs 6,000 crore mark that gives us the revenue visibility for next three years.”

SPML Infra has implemented over 400 projects in water supply and management, wastewater treatment and reuse, sewer-line rehabilitation and power development, transmission and distribution in India, it is told.
