

## Underground Sewerage scheme in Mira-Bhayandar city partially completed

Monday, 29 Apr 2013

---

Mira-Bhayandar Municipal Corporation (MBMC) has partially completed underground sewerage scheme at Mira-Bhayandar city in Thane district of Maharashtra, as told to Projects Today.

Mira-Bhayandar Municipal Corporation has planned to implement 11 pumping stations under Jawaharlal Nehru National Urban Renewal Mission (JNNURM). Of the 11 pumping stations, four has been completed and work on three pumping stations is still going on while work on remaining four pumping station is yet to commence. MBMC already appointed SPML Infra to execute the project.
