

SPML Infra jumps 10% on new orders

Published: 10th March 2014 02:19 PM

SPML Infra, the infrastructure development company, jumped on Monday after it bagged two new orders worth Rs 7.21 billion from Bhavnagar Irrigation Project Division, Gujarat and from South Bihar Power Distribution Company, Patna.

The company bagged first order Rs 5.94 billion from Bhavnagar Irrigation Project Division, Gujarat for water supply infrastructure development. While, Rs 1.27 billion order from South Bihar Power Distribution Company for strengthening, improvement and augmentation of electricity distribution system in 11 towns in Bihar.

Rishabh Sethi, Chief Operating Officer, SPML Infra said **“We are happy that SPML Infra has become the only Indian water management company to be listed in world’s top 50 private water management companies. Over the last three decades, we have executed almost 600 projects.”**
