

SPML Infra Receives New Orders

03/28/2014 | Editor: [Dominik Stephan](#)

SPML Infra has received two new orders worth 7.2 billion Rupees from Bhavnagar Irrigation Project Division, Gujarat and from South Bihar Power Distribution Company, Patna.

Gurgaon/India - The project from Bhavnagar Irrigation Project Division is worth `594 crore and aims at development of infrastructure for water supply to Bhavnagar. This project is part of Saurashtra-Narmada Avtaran Irrigation Yojana (SauniYojana) that has been initiated by the Govt. of Gujarat to divert excess over flowing flood water of Narmada River to allocated Saurashtra region.

The second project is for conducting survey, network design, installation, erection, testing, commissioning including performance test of all the equipment supplied under the supply contract for strengthening, improvement and augmentation of electricity distribution system in 11 towns in Bihar. This contract is worth ` 127 cr.
