

SPML Infra bags order worth INR 7.21 billion

10 March, 2014

SPML Infra has bagged 2 new orders worth INR 7.21 billion from Bhavnagar Irrigation Project Division, Gujarat and from South Bihar Power Distribution Company, Patna.

The company bagged first order INR 5.94 billion from Bhavnagar Irrigation Project Division, Gujarat for water supply infrastructure development.

While, INR 1.27 billion order from South Bihar Power Distribution Company for strengthening, improvement and augmentation of electricity distribution system in 11 towns in Bihar.

Chief Operating Officer Rishabh Sethi commented, "We are very happy that SPML Infra has become the only Indian water management company to be listed in world's top 50 private water management companies. Over the last three decades, we have executed almost 600 projects and contributed immensely towards the development of our country."
