

SPML Infra: Receives orders worth INR 334 cr for Karnataka water supply systems

SPML Infra has won new orders worth Rs.334 crores from Karnataka Urban Infrastructure Development and Finance Corporation (KUIDFC) for 24X7 water supply systems for three cities - Bellary, Hospet, and Raichur that has a combined population of 8.5 lakhs.

These projects are part of Asian Development Bank (ADB) funded projects to improve urban services in towns and cities in Karnataka. These new water supply projects would help in improving the quality of life in underdeveloped areas with uninterrupted clean drinking water supply.

SPML has received these contracts to design and construct the infrastructure of the distribution networks, provide metered connections, and operate and maintain the facilities for 5 years after completion. The three orders received are Bellary (136.41 crore), Raichur (117.95 crore), and Hospet (79.5 crore).

The scope of work for Bellary involves 281 kms of new distribution network, and 69,159 numbers of house service connections. Raichur's scope of work includes 528 kms of new distribution network, 2 raw water pumping stations, and 37,117 numbers of house service connections. The Hospet scope of work involves 204 kms of new distribution network, rehabilitation of two water treatment plants of 18.16, and 4.54 MLD and 42,705 numbers of house service connections with 5 years of operations & maintenance
