SPML Infra has announced that the company in joint venture with Tata Projects has received new orders worth Rs1275 crore for Wastewater treatment projects with provision of reuse.

The company has bagged three major new orders for design and construction of Sewerage System with provision of treated wastewater reuse from Rajasthan Urban Drinking Water Sewerage & Infrastructure Corporation (RUDSICO) for 11 cities in Rajasthan, it said in a filing to the Bombay Stock Exchange.

These projects are envisaged as decentralized sewage treatment projects similar to the ones being proposed under Namami Gange program.

The treated wastewater reuse can provide alternative source of water, reduce pollution to ground water sources thus improving health and economic productivity.

The first order is of Rs480 crore for the development of sewer system in Bharatpur, Gangapur, Hinduan and Churu cities.

The second order of Rs417 crore is for the same in Udaipur, Nagaur, Sujangarh and Baran, while the third order of Rs378 crore is for the development of sewer system in Chittorgarh, Beawar and Bundi cities.
