SPML is the fastest growing construction company with a CAGR of 52.41 % in the last 5 years

- **Awarded the Fastest Growing Construction Company award in the large category at the 7th Construction World Annual Awards 2009**

Kolkata, October 09, 2009: Clocking a growth rate of 52.41 % over the last 5 years, **Subhash Projects And Marketing Limited (SPML)**, one of India's largest multi-disciplinary infrastructure service providers was acknowledged as the **fastest growing construction company** in India. The award was conferred at the 7th Construction World Annual Awards 2009 presented by the chief guest **Shri Kamal Nath**, Hon'ble Union Minister for Road Transport and Highways at a grand function held in Mumbai.

This is the second time that SPML is receiving this award. SPML had previously been awarded the Fastest Growing Construction Company in India in the 'large category' at the Fifth Construction World – NICMAR Awards 2007.

Commenting on this recent achievement, **Mr. Subhash Sethi, Vice Chairman, SPML**, said "It gives us immense pleasure in receiving this award in recognition of our efforts as an infrastructure development partner of the nation. SPML's consistent and impressive performance over the years in project management and delivery has been the key factor behind this achievement. Our vision is to build world class infrastructure with passion and innovation to make human life better".

Mr. Pradeep Jain, CEO, SPML Engineering Initiative received the award from Shri Kamal Nath, Hon'ble Union Minister for Road Transport and Highways.

This is yet another accomplishment for SPML after it had won the 'Annual Enertia Awards '08' for "Excellence in Project Management in Hydro Power Sector (SHP)" last year.
