### **SPML wins consolidated order worth Rs. 105 crore from NTPC for Simhadri Super Thermal Power Project**

- Order includes Station Piping Package for Simhadri Super Thermal Power Project and Installation services for the same

**Kolkata, June 4, 2009:** Subhash Projects And Marketing Ltd (SPML) one of India's leading multi-disciplinary infrastructure development companies recently won the prestigious station piping package for Simhadri Super Thermal Power Project at Vishakapatnam, Andhra Pradesh, worth Rs. 105 crore from the National Thermal Power Corporation (NTPC), the country's largest power generating company. The order is a part of the capacity expansion plan for Simhadri Super Thermal Power Project to provide the growing power needs of the state of Andhra Pradesh. Simhadri Super Thermal Power project is the ambitious initiative of National Thermal Power Corporation (NTPC) to augment the power requirements of the region.

The scope of work includes:

- Design, Engineering, Manufacturing, Supply, Testing at Shop, Inspection, packaging, transportation to site, storage, taking delivery of supplied equipment from site stores, in plant transportation, fabrication at site, erection, cleaning, anticorrosive protection, painting of above ground piping.
- Testing and commissioning of all piping systems including items like fittings, supports/ hangers, valves, actuators, motors, specialties, tanks, instruments, drain, vents including drain/ vent valves and air release valves and impressed current type cathodic protection for sea water make up, Effluent disposal & sweet water make up system.

The Simhadri station had received several awards such as the Ministry of Power's Gold award for outstanding performance in thermal power generation for 2006-07, the safety innovation award for 2007 for the third consecutive year from the Institution of Engineers, New Delhi, and the Greentech Gold Award for 2008 from the Greentech Society.

"We are proud to be associated with this prestigious project which will improve the power situation of the state of Andhra Pradesh and will also cater to the rising power needs in the southern region. SPML is today a preferred partner in developing large Thermal Power Plants to augment the growing power requirements of our nation" commented **Mr. Subhash Sethi, Vice Chairman, SPML.**

**About Subhash Projects & Marketing Ltd.:**

Subhash Projects And Marketing Limited (SPML) is a leading infrastructure development company with more than two and half decades of multi-disciplinary experience in Water, Power, Environment, Infrastructure, Manufacturing and Technology. The company that started in 1981 as a water pumps agency in Guwahati has evolved today into a multi-faceted conglomerate. Promoted by the Sethi family, SPML was incorporated as a public limited company in August 1983. An ISO – 9001: 2000 certified company, SPML has executed more than 400 projects across India and has established its leadership in the contracting business.

SPML has proven business capabilities in the Water, Energy, Environment and Infrastructure domain, on a Public Private Partnership (PPP) & Build-Own-Operate-Transfer (BOOT) basis.

SPML's vision to become a force in the global infrastructure sector is supported by its core strengths – pan India presence, 27 years of experience in turnkey projects, innovative in-house designs and engineering solutions, highly skilled team of over 1000 professionals; complimented by its focus on innovation and cutting edge technology.
