### **SPML wins order worth Rs. 220 crore to start work on 1500 mini water supply schemes for 26 drought affected districts of Bihar.**

(Awarded by Public Health Engineering Dept., Government of Bihar)

**Delhi, April 06, 2010:** SPML (Subhash Projects And Marketing Limited); one of India's leading infrastructure companies having focus in water management, environment and power has won an order for the design, construction and commissioning of 1500 mini water supply schemes in Bihar. The order worth Rs. 220 crore involves work that would be carried out in 26 drought affected areas of the state. Additionally, there will be provision to set up electrical pumping sets on turnkey basis with 12 months of O&M after trial run of 3 months. The total completion time of the project is slated to be 18 calendar months.

Commenting on the new win, **Mr. Rishabh Sethi, Chief Operating Officer, SPML**, said "This order is a testimony of our commitment to setting up high value water infrastructure projects; 1500 water supply schemes would significantly make a difference in thousands of households and lives that leverage this initiative. It's an honour for SPML to join hands with the state and partner in such a prestigious project."
