

For Immediate Release

Subhash Projects And Marketing is now **SPML Infra Limited**

Delhi, April 15, 2010: Subhash Projects And Marketing Limited, preferred partner in Infrastructure development with a focus on water, environment, power and infrastructure sectors, has undergone a name change from Subhash Projects And Marketing Limited to **SPML Infra Limited**. This change is effective from 15th April, 2010. The company has pan-India presence and has executed over 400 projects so far.

Commenting on the above initiative **Mr. Sushil Sethi, Managing Director**, SPML Infra Limited said “We are positioning the organization as an end-to-end solutions provider for the Infrastructure sector; **SPML Infra Limited** the new name is aligned to our brand connect with our stakeholders and customers, we believe this is a new beginning in our growth charter.”

The new name reiterates SPML’s leadership and alignment to the infrastructure sector. To ensure and maintain a leading edge, the company has a number of joint ventures with leading technology and innovation partners – pioneers in infrastructure-technology products and solutions.

The company has bagged close to Rs 1,400 crore orders in the past 2-3 months. The company is positive on bagging several prestigious projects in the near future. With the recent reorganization the company is poised to grow its market share. This would also bring in the benefits of cost rationalization.

SPML Infra Limited (formerly Subhash Projects And Marketing Limited) is a leading infrastructure development company with more than three decades of multi-disciplinary experience in Water, Power, Environment, Infrastructure, Manufacturing and Technology. Promoted by the Sethi family, SPML was incorporated as a public limited company in August 1983. An ISO – 9001: 2008 certified company, SPML has executed more than 400 projects across India and has established its leadership in the contracting business.

SPML has proven business capabilities in the Water, Environment, Power and Infrastructure domain on a Public Private Partnership (PPP). SPML’s vision to become a force in the global infrastructure sector is supported by its core strengths – pan India presence, 30 years of experience in turnkey projects, innovative in-house designs and engineering solutions, highly skilled team of over 2000 professionals; complimented by its focus on innovation and cutting edge technology.
