

INDIA'S FIRST NEWSPAPER ON PROJECTS

SPML Infra wins Rs.617 cr. orders in Gujarat

A BUSINESS CORRESPONDENT

Wednesday, November 30, 2011, 11:56 Hrs [IST]

SPML Infra Ltd, a leading infrastructure development company focused on water and waste management and power, has won two EPC orders worth ₹513 crore from Gujarat Water Infrastructure Ltd, Gandhinagar, for pumped water supply scheme including 75.5 km of water transmission line under 'Swarnim Gujarat Saurashtra - Kutch Water Grid' programme (NC-26 & NC-32) to be completed within 12 months from the date of award.

The scope of works include 75.5-km of 2300mm and 2400mm diameter MS pipeline for pumped water supply scheme with intake arrangement pump house, and pumping machinery along with civil mechanical electrical and instrumentation control works with three years of operations and maintenance.

The project provides GWIL with bulk water transmission to increase the water supply using 42 km of water transmission lines from Dhanki to Navada and 33.5 km from Dhanki to Dudhrej near Ahmedabad-Rajkot highway (NH-8A). In addition, the company also bagged the following projects:

- ₹79-crore order from PHED Jaipur, Rajasthan, for water supply scheme for 153 villages and their Dharies from Malpura, Mor and Pachewar head works under BisalpurDudu Water Supply Project with 10 years of O&M.
- ₹25-crore order for 48 km 400kV transmission line (Bhilwara to Chittorgarh) from Rajasthan Rajya Vidyut Prasaran Nigam Ltd. Rishabh Sethi, Chief Operating Officer, SPML Infra Ltd, commented,

"We are excited, yet again, to work with clients such as GWIL and PHED Rajasthan on projects of this magnitude."
