

## **SPML Wins Accolade For The Successful Completion Of The Kerala Water Supply Project**

March 29, 2011

*Honorable Minister for Water Resources of Kerala, Mr. N. K. Premachandran bestows a memento of outstanding service to SPML at the inauguration ceremony of the Kerala water supply project*

SPML Infra Limited., one of India's leading water and environment companies has successfully completed the laying, testing and commissioning of a 80 Km treated water transmission main line in the Meenad water supply project sanctioned by the Kerala Water Authority. The project was officially inaugurated by the Honorable Minister for Water Resources of Kerala Mr. N. K. Premachandran.

During the inaugural function, the Minister bestowed a memento to M/s SPML Infra Limited in appreciation of the successful and timely completion of the work entrusted to the company in this project.

The scope of SPML's work included installation of Supervisory Control And Data Acquisition (SCADA) systems & telemetry stations, rechlorination treatment stations, laying of pipes under river water and building of steel pipe bridges. The total value of the project is 293 crore with the capacity of 73 million liters of treated potable water per day, serving the water requirement of 5 lacs people of Kerala. The order value of the work completed by SPML is 73 crore.
