

SPML Infra, Tata Projects bag Rajasthan govt orders

July 15, 2016 [news](#) [0 Comment](#)

SPML Infra Ltd, in joint venture with Tata Projects Ltd, has bagged three major orders worth ₹1,275 crore from the Rajasthan government for design and construction of sewerage system, with provision of treated wastewater re-use, from Rajasthan Urban Drinking Water Sewerage & Infrastructure Corporation Ltd (RUDSICO) for 11 cities.

The projects are envisaged as decentralised sewage treatment projects similar to the ones being proposed under the Namami Gange programme, said an official release. The treated wastewater can provide an alternative source of water, reduce pollution to groundwater sources, thus improving health and economic productivity, it added. The first order of ₹480 crore is for developing sewer systems in Bharatpur, Gangapur, Hinduan and Churu cities.

The second order of ₹417 crore is for sewer systems in Udaipur, Nagaur, Sujangarh and Baran, while the third order of ₹378 crore is for development of sewer systems in Chittorgarh, Beawar and Bundi cities.

Mr. Rishabh Sethi, Executive Director, SPML Infra, commented, “It is significant that Govt. of Rajasthan has initiated the projects for wastewater treatment and reuse that will help in reducing the pollution in these cities. SPML is indeed proud to be part of this improvement plan to create wastewater treatment and reuse infrastructure which are vital to make fresh water available for drinking purposes. These orders reaffirm our expertise in water and wastewater infrastructure space and with the support of our JV partner we are confident of delivering as per the requirements of our client.”
