

SPML Infra JV secures order worth Rs 1275 cr

SPML Infra Ltd said that the company in joint venture with Tata Projects has received new orders worth Rs 1275 crore for Wastewater treatment projects with provision of reuse. The company has bagged three major new orders for design and construction of Sewerage System with provision of treated wastewater reuse from Rajasthan Urban Drinking Water Sewerage & Infrastructure Corporation (RUDSICO) for 11 cities in Rajasthan, it said in a filing to the Bombay Stock Exchange.

These projects are envisaged as decentralized sewage treatment projects similar to the ones being proposed under Namami Gange program. The treated wastewater reuse can provide alternative source of water, reduce pollution to ground water sources thus improving health and economic productivity. According to the filing, the first order is of Rs 480 crore for the development of sewer system in Bharatpur, Gangapur, Hinduan and Churu cities.

The second order of Rs 417 crore is for the same in Udaipur, Nagaur, Sujangarh and Baran, while the third order of Rs 378 crore is for the development of sewer system in Chittorgarh, Beawar and Bundicities.

Commenting on the development, SPML Infra, Executive Director, Rishabh Sethi, said, "SPML is indeed proud to be part of this improvement plan to create wastewater treatment and reuse infrastructure which are vital to make fresh water available for drinking purposes."
