

SPML INFRA

Subhash Sethi, Chairman

SPML Infra has become a trusted partner to execute medium and large water supply projects under the 'Jal Jeevan Mission' scheme in both rural and urban India.

SPML Infra has signed agreement with the Public Health Engineering Department (PHED), Rajasthan for a large water supply project under the Jal Jeevan Mission. The Isarda Water Supply project, under the Jal Jeevan Mission would provide clean drinking water to 25 lakh people in Dausa and Sawai Madhopur districts in Rajasthan.

The project valued at Rs 1,157.80 crore (\$151.60 million) is aimed to provide clean drinking water facilities to about 25,00,000 people residing in 1,256 villages and six towns of Dausa and Sawai Madhopur districts in Rajasthan.

The project will be completed within the stipulated 24 months period (3 per cent incentive will be given for completing before timeline) and after the defect liability in a year period, SPML Infra will be responsible for managing the operation and maintenance of the project for next 10 years' time.

SPML Infra has become a trusted partner to execute medium and large water supply projects under the 'Jal Jeevan Mission' scheme in both rural and urban India.

PNC Infratech in joint venture with SPML Infra has received three letters of award (LoAs) for three new EPC projects.
