SPML Infra Organized Free Health & Eye Check-up Camp under its Corporate Social Responsibility Program

3rd February, 2019, Jaipur

Honoring the memory of the Founder Chairman, (late) Punam Chand Sethi, SPML Infra Limited organized a Free Healthcare & Eye Check-up Camp for economically weaker section of the society at Amani Shah Pump House, Bisalpur Pumping Station, RPA Road, Bani Park, Jaipur on Sunday, 3rd February, 2019.

The camp has seen a large turnout of more than 200 people from the under privileged section of the society visiting and consulting the panel of Doctors including Eye, ENT and General Physician & Surgeon. The relevant tests for Eye, ENT, BP, Blood Sugar, ECG was conducted and free medicines have been provided the patients.

In Kolkata, the company organized lunch for the elderly poor people in association with Little Sisters of the Poor, who runs old age home for housing hundreds of elderly poor. A tree plantation campaign was also organized and trees were planted in and around the project sites across the country.

SPML Infra Limited has always been touching the lives of people by supporting environmental and health-care projects and social, cultural and educational programs. Over the years, it has conducted a series of social welfare movements, a way to give back to the society and its people, which started off with the **Free Limb Distribution** program to distribute free artificial limbs to the needy to overcome their challenges, a movement which still continues, was started after the inception of the company in 1981. **The Beti Bachao** campaign is one such campaign amongst the list of many others, which was initiated to make awareness about the importance of girl child in the Northern part of the country.

SPML Infra believes in “**save water is found water**”, and to spread this message, regular outdoor and mass media campaigns on “Save Water” and “Conserve Water” is running in cities with a number of hoardings, boards, message boards, bulletins and social media campaigns. Besides focusing primarily on the welfare of economically and socially deprived sections of society, SPML Infra also aims at providing economically viable and environment-friendly services for the benefit of millions of people across the nation.
